Flavor and body are the two qualities which determine the relative market price of cheese, and the character of these qualities is largely determined by the process of curing. A fairly steady temperatute not over 60 degrees Fahrenheit in the curing room gives the best results. At that temperature loss in weight by the shrinks age of the cheese is considerably less than at higher points. A dry atmosphere causes the cheese to lose in weight by the evaporation of the moisture, and it may, also, cause small cracks on the surface, especially when the cheeses are new, Too high a temperature in the curing rooms of many Canadian credit.

An old curing room of the ordinary open construction may be improved materially and beneficially by adopting the following method. Thorough ly cleanse the whole inside by a liber of which one pound of carbolic acid should be added. The place should then be whitewashed with fresh staked lime. To make the old floor close, it will be necessary to put two thick nesses of building paper over it, and a new floor closely laid on the top of the paper. If the inside walls of the old curing room be of humber or plaster, two thicknesses of building paper. ter, two thicknesses of building paper may be put on, and over them one thickness of matched lumber, dressed on at least one side. Would Be The Seventh City. A union of Owen Sound and Brooke would place that community in the position that its population and commercial importance deserves. Should incorporation follow the union, Owen Sound would take her place as the seventh city in the province. She would be exceeded in population only by Toronto, Ottawa, Hamilton, Lon-don, Brantford and Kingston. She would surpass Belleville, Guelph, Woodstock, Stratford, St. Catherines, St. Thomas, Chatham and Windsor. Owen Sound's position has never been recognized, says the Times, and a much advertised neighbor is to-day regarded by fifty per cent. of the population of Canada, as a more populous and more important centre.

Cause To Rejoice.

The earth was not made in a day, meither is rheumatism cured in a day.

Mrs. Jacob Dairmaid, Black River Bridge, Prince Edward County, Ont., suffered intense pain in both limbs for a year and a half, and two physicians were unable to give her relief. Half a bottle of Dr. Hall's Rheumatic Cure gave her ease and five bottles, with the Climax Iron Tonic Pills, affected a permanent cure. Her many friends are rejoiced at her recovery.
