FOR REVISION OF THE ENTIRE TARIFF SYSTEM.

See Fraser Champion, Scotch dancer with Prevailing Opinion In Britain -Colonial Questions To Be Discussed - The New Tax Has Opened Up the Way For Preferential Discussion.

New York, April 16 .- A Tribune cable from London says: "Despite all efforts to minimize the importance of the revival of registration duties on grain and flour, it is evident that a new departure has been made in the direction of a revenue tariff. The duties may be small and bakers may leaf, but Cobdenism has been struck | South Africa peace necotiations over can also be levied on many commodi- regard to the general laying down of finds. The vein of precious metal has soon after his birth. Hicks-Beach has reluctantly opened quit unless they receive certain assurthe way for the transformation of the

"Mr. Chamberlain has not obtained finality of the present negotiations. entire tariff system. as much leverage as he desired, but he has secured ground for discussing commercial and tariff questions at the conference of the colonial premiers and ministers after the coronation. Wilfrid Laurier, Messrs. Fielding, Mulock, Paterson and Borden are expected to be present from Canada and Mr. Barton, Mr. Sedden and many Missouri, Kansas and that section other influential men will represent Australia, New Zealand and other self-governing colonies. Cables, shipping subsidies and postal ser-

vice will come up, but the main top- tive Dougherty (Dem., Mo.), says that ics will be imperial defence and trade. While the colonies will be reluctant to less the democrats cease their attack surrender their self-governing rights, it is probable that some basis for financial contribution to imperial defence may be reached if some form of preferential tariff be adapted by

the home government. "Some colonies may be willing to agree upon a commerce increase five per cent. to ten per cent. in tariff in South Africa. duties and set apart the sum thus raised for defensive rurposes, if the refuse a strongly worded request from mother country be disposed to adopt the Boer leaders at Pretoria for an the preferential system in dealing with the colonies. Mr. Chamberlain | This alone is not likely to cause the has little margin for negotiations in Boers to withdraw from the conferthe new corn duties, but a revenue ence, says the Daily Mail, but what enable him to take up imperial federa- the fact that the government de-

Products To Be Taxed. London, April 16,-The custom house officials say that the following products fall under the three penny tax . All cereals, including maize, buckwheat, peas, dholl beans, haricot beans, locust beans, lentils and rice.

The following products fall under the sioner in South Africa) went to Prefive penny tax: All the flour and meals from the above mentioned ducts, as well as macaroni, vermicelli, starch, farina, arrow root, mandioca flour, semolina, cassava powder, mannacroup, potato flour, tapioca, sago meal, rice meal and rice dust, shredded wheat, and preparations containing any of the foregoing products.

The Standard announces in a financial article that only £16,000,000 of the new budget loan of £32,000.000 will be issued publicly, the remaining half of the loan having already been placed privately. The Standard believes that £5,000,000 of the latter half of the loan has been taken by leading financial houses in New York. The Daily Chronicle says it was ru-

at a price | elow 93. The Times, in its financial article confirms the statement that the new loan is to be raised by an issue of consols, and says they will be issued immediately at 934.
