SPRING CLEANING.

Extract from "My Experiences of Spring Cleanings, Past and Present."

By MRS. GEORGE AUGUSTUS SALA.

That is seated by the sen; Often in thought go up and down

But so surely as I indulge in those lion and went out like a tiger—and all of us children, from the eldest to the youngest, 'had "done" our mumps, our chilblains, our earaches, silk stockings and socks had their our coughs, and our influenza colds, bandkerchiefs, and all came out well,

as busy as myself, who have but scant leisure to attend to the bright-

Often I think of the beautiful town jects for my husband's leader in The Daily Telegraph. In a couple hours we drained off the water and ready to be lightly ironed when halfdry. They were up at the window the next day and looking as good as tong, long thoughts of my youth, with all its happiness, with all its happiness, with all its treated in the same manner, and treated in the same manner, and freedom from care, with all its manifold pleasures, and its few pains, there arises in my mind's eye the vivid picture of one very great misery, which used to befall me yearly within the precincts "of the beautiful town that is seated by the beautiful town that is seated by the sea." The picture is that of an annual irruption known as "Spring Cleaning," when every vestige of comfort would disconnect from the Cleaning," when every vestige of comfort would disappear from the home of my childhood in dear old Weymouth town. Spring Cleaning in those days was Spring Cleaning Cleaning in those days was Spring Cleaning Cleaning light, rolled up with cut-up Sun-light, rolled up with cut-up Sun-light, rolled up with cut-up Sun-light.

GLOWING INDUCEMENTS.

How People Are Misled by Advertisements of Trusts and Companies-The Age of Millionairs-Mayor Low's Am-

(Whig Correspondence, Letter No. 1,800.) New York, April 18.—As I sat in my room long after midnight on the opencountry's chronicles; the representa-tives of the greatest nations on the earth were there to do honor to the event. The roar of mighty cannon greates their walcome, heavty clad in had quadrupled itself twice in a single honor to the day, the surroundings More modern still and within the were of the happiest nature, seemingly memory of the present generation was having the approval of heaven and the golden vision of Cape Naomi and earth. Great expositions there had the oriferous sands of Washington been in other lands, but nothing approaching its perfection and magnifi-proaching its perfection and magnifi-cence had ever been seen in this west-iars, its fisheries are among the richern continent before. Nothing was est possessions belonging to the United wanting to make it great and happy, States and the government tax on wanting to make it great and happy, and its effect was recognized for many years after by the nation which had doubled its population, quadrupled its wealth, increased its domain, and, from being hardly recognized among the great nations of the earth in way dotted with gold which within 1876, in 1902 it's recognized as a lead-er among the earth's greatest and adventurous and daring miner up to most powerful republics or kingdoms, whose voice is potential in the arbitraments of national rights wherever yet discovered by man. Years ago we

The day had been one of the grand-est jubilees. Philadelphia was crowded the age of steel, spell it which way sands of people walked the streets all night unable to find shelter. The roar sleep impossible and the occasional life the most collosal fortune ever explosion of mighty cannon gave warning to the newcomers that Philadelephia, notwithstanding the Quaker-ly character as a city of brotherly financial achieved by man. A millionaire was a remarkable person fifty years ago. The accumulated fortunes of the Rothschilds, after four generations of love, was neither dead nor sleeping. I financial ventures; men whose little thought as I sat down that night that my pen would ever indite money marts of the world had only the story of 1902. The Broadbrim chins as bright as we wished. I hade her half fill the bath with nearly cold water, and cut up some little for your furniture and fanders, and cut up some little throw them into the bath. We next collected many of our heaviest pieces of Chins, Antony and Cleopatra, Lady Godivs, a large vellow cat with blue spots, the Dresden bull, and oftentimes none is needed, a large litter of pigs, an immense along the surface and in which have passed before my vision like a dream, and in which have appeared many of the greatest and most the world had only realized a fortune of between fifty and the story of 1902. Blood Trouble Curedi Without Drugs.

A Commercial Travder's Experience.

J. P. CAVAN, Toronto.

have much pleasure in giving my testimonial on beha of your grand tonic and blood purifier, Ozone. For renty years I was a commercial traveler, and as is we known, such a life, unless you are very careful, bring a great amount of trouble to the human frame. Ando it was with me, I would have dysper hearurn, headaches, and swollen limbs. My headachevere so bad that I would have to lay off work for two three days, only to have a return before many hou I have been using Ozone for two years, and during that time I can truthfully say that I have had no retu of any of my former troubles. It is truly a grar product and especially valuable for sp. 'ug. I will ways continue to speak of it in the highest terms. lahing you every success. Yours very truly,

(Sgd.) J. P. CAVAN, 988 Dovercourt Road, Toronto. We would like above all things to have you acct our statements about Powley's Liquified Oze, but we believe the suggestion that we arenterested would mar the main object we havin view in advertising Ozone-prevent your besiting from its use.

There is nothing on earth that will cure bld disorders as pimples, carbuncles, boils, old sor, etc., as quickly and thoroughly as Powley's Litified Ozone. It is the very best product for Spag use. We have had cases where the blood dieder was of over thirty years standing and dinarging matter copiously, cured quickly by thuse of this natural blood food. Its action is fitive because it is natural. It purifies the bld, disinfects it thoroughly, and brings back tone skin that clear, deep bloom so much valued baveryone. Powley's Liquified Ozone will cure you quickly too. It does not take very long for ito demonstrate its beneficial action.

Powley's Liquified Ozone is on sale at all drugtores, two sizes, fifty cents and one dollar.

Onega Qi Most limments burn andblister the tende skin of a chid, but Omegs Oil doesn't.

It is the safest thing a mother can rub on her little boy or girl for a sprain, bruise, sore throat or cold in the chest. Please renember this, mothers, and always have a bottle of Omega Oil in the house. It will cure the aches and pains of the entire family, and relieve a great amount of suffering every year. It is good for everything a liniment ought to be good for.
