MILK RECORDS.

ABOUT THE DAIRY HERD

Should Keep a Dairy Record Milk By Each Cow-This Will Be Valuable When Selling the

As a means of converting the raw products of the farm into more saleable forms, the good dairy cow is without a peer. The good beefing animal will pay very fittle more than market prices for food fed from birth to shambles. The sheep with her fleece extelled her virtues.

Yesterday the friends of the late Mrs. Markell assembled in the little chapt years to pay their last sad respects to the departed wife, and the minister highly bad.

As the audience was dismissed with and her lambs gives only a very mo. As the audience was dismissed with dest profit on food consumed. The the henediction, Mr. Markall, the chief pig and the hen, if wisely fed, do mourner, stepped up to the pulpit and much better than either of the above, handed the minister a document. All but it is very seldom that the re- was silence, and a breat less cornectly tidens from either of them go beyond pervaded the little sanctuary, which one dollar and fifty cents for one dol- was accentuated when Miss Haide

food, and many a cow has been he was laboring, requested that the known to give two dollars and fifty audience again he seated, whereupon cents worth of products for one dotlars' worth of food consumed. " ment he held in his hand was a licens: high return. The reasons may be sum-marized as lack of breeding, improper Markell and Miss Haidee Richards,

udgment and management.

informed as to the internal manage imp could manage. The paper content of his departments.

The fixing of the Ontario elections for the 29th of May next will tend to hasten the closing of the Chains of the closing of the Chains of the Chain both as a guide in selecting cows and as an effective means of directly improving the herd. The extra outlay is very small. We would supply you with records forms for a time at least. The keeping of such records had requested another person to sign the helf minute per cow. what is termed 'the dying days."

pay a very low price for their food, and hand, were sitting in front of the leave no profit, and frequently are fireplace talking about the happy days to come when they would be one. a motor cycle to-day for Annapolis, Ill., where he will see for the first time a pretty seventeen year-old girl, Miss Edna Busby, whom he will make his wife. The young people have conducted a courtship by letter for the past six months. A hen's egg figures year promisently in the record should be quite as deliv milk record should be quite as get up and start the first to come when they would be one.

From one little detail to another the talk finally drifted to the subject of lighting the fires in the morning. On this point the young man was decided. He stated it as his emphatic opinion that it was a wife's place to deliv milk record should be quite as get up and start the finally cause serious kidney the finally cause serious kidney opinion that it was a wife's place to deliv milk record should be quite as get up and start the finally cause serious to the country opinion that it was a wife's place to deliv milk record should be quite as get up and start the finally cause serious to come when they would be one.

It is! and you cannot be too very prominently in the romance. The daily milk record should be quite as get up and start the fires and let her girl's father is the owner of an egg important as the breeding record. We poor, hard-working husband rest. girl's father is the owner of an egg tenture the assumption that in a very packing establishment, and one day venture the assumption that in a very the daughter wrote her name and address on the shell of an egg, before it ward any claims as a dairy breed, will dress on the shell of an egg, before it ward any claims as a dairy breed, will oparters of a second. Then the telephone girl thrust out the finger encircled by her engagement riog and

Good Advice.

connected with the wrong number

The most miserable beings in the world are those suffering from dyspep-sia and liver complaint. More than seventy-five per cent. of the people in the United States are afflicted with these two diseases and their effects, such as sour stomach, sick headache, habitual costiveness, palpitation of the heart, heart-hurn, water-brach, gnawing and burning pains at the pit of the stomach, yellow skin, contest tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, etc. Go to your druggist and cost a bottle of trouble of them. I got a box of Doan's Kidney Pills and before I had them half taken I could not get Wade's drug store.

Dismissed The Action. Cornwall, Ont., April 11 .- H. Williams and F. Riviere, who have been working on the improvements to the Cornwall canal, appeared before police magistrate Dennis, on Saturday, charged with working on Sunday, April 13th, the complaint having been as the work could be carried on only nclined to think the work one of ne sessity and dismissed the case,
