HERE'S A FUNNY THING.

American Merchants Get The Better Of British Mails.

WOUNDED CANADIANS.

Ottawa, April 22.—The governor general received the following cable from the casualty department at Cape Town: Dangerously ill at Johannesburg, with gunshot wounds, Ptes. John Milne and Michael Murphy, of the 2nd Canadian mounted rifles; both these men were wounded in the engagement with the force under Gen. Delarey, at Kleinbart River. Milne enlisted at London, Ont., and his father, John Milne, lives at Wingham, Centre, Ont. He was wounded in the jaw and leg. Murphy enlisted at Peterboro, and his father, C. Murphy, resides at 32 Lewis street, in that city. He was wounded in the scalp.

DEATH OF FAITH CURIST.

Columbia, S.C., April 22.—Because of belief in cure by faith, the Rev. R. W. Gregg, who for two weeks had been sick at Florence with typhoid pneumonia, refused medicine and medical attention and died Sunday night, after having suffered greatly. Mr. Gregg was an evangelist, who had been doing work in this section for some time. He consented only once to let a doctor enter his room. When told by the doctor that unless he permitted something to be done he would die, Mr. Gregg sent him away.

A BORDER LINE FIGHT.

Woodstock, N.B., April 22.—Sheriff Hayward, arrested James Kelly, charged with feloniously assaulting a customs official, Frank Burns, and extradition proceedings will be started before chief justice Tuck Kelly was smuggling a load of potatoes at night and was stopped. He was shot by Burns. He struck Burns several times with a club, breaking his arm and injuring his skull. The official is the more dangerously wounded.

U. S. RIVER AND HARBOR BILL.

Washington, April 22.—The senate passed the river and harbor bill carrying appropriations amounting to about \$70,000,000 without a word of discussion as to its merits.

HOW IT IS VIEWED.

London News. The liberal administration of the affairs of Ontario has been as honest and careful as that of any government in the world.

The late Nicholas Flood Davis, of the memorial to be erected in Ottawa, is regarded with general approval.

One hundred and twenty-six Ottawa men marched to the Central station this morning on their way to Halifax and South Africa.

An effort is to be made to rush through the business of the session as speedily as possible.

The government has decided to hold morning sessions next week. Prorogation is therefore expected about the middle of May.

Some of the opinion that the work of the session cannot be put off until the 24th, while a very few think that the local elections will interfere and keep the house sitting until they are over.

The postage rate under the laws of Great Britain for two ounces to all countries in the postal union, but in the United States the postage is two cents, equivalent to one penny. It is therefore obvious that business firms who sent out thousands of circulars each week, at the result of the reduction in bulk at a low rate of freight to Liverpool, and then having them sent back to the United States.

The attention of the treasury officials was called to this matter by an officer in the Liverpool post office, who noticed that several large consignments of American trade circulars addressed to parties in the United States had been posted in Liverpool.

He investigated the matter, and found that the practice has been in vogue for some little time. The result of his investigations is that immediate steps have been taken to stop the business.

Associated with Pierpont Morgan in his scheme to develop electric traction in London are Arnold Hills, ship builder, and Clifton Robinson, on behalf of the London United Electric Tramways company. The capital of the Morgan-Hills-Robinsons' coalition is stated to be £25,000,000 which compares with £15,000,000 capital of the Yerkes system.

In the house of commons Sir Michael Hicks-Beach, the chancellor of the exchequer, laid in the course of a speech, defending the budget proposals, that nothing could be more premature than the rumors in the press regarding the peace negotiations in South Africa.

Kaiser Accepts. Berlin, April 22.—It is announced that emperor William has notified the executors of the will of Cecil Rhodes of his majesty's acceptance of the trust related to the German scholarship at Oxford.

Robert Stevenson, aged seventy-five, and the oldest Grammarian in Hamilton, died on Monday. Mr. Stevenson became a member of the order in January, 1848.

By 20 to 3 the Toronto horses from last the English team at Richmond, Eng.
