DRUGS COULDN'T CURE HIM.

James Stevens, formerly in the employ of John H. Dunlop, Esq., the Well-known Florist of Toronto.

Suffered 30 Years With a Running Sore-Cured a Year Ago and Has Since Had No Return of This Disease.

The science of curing has advanced very rapidly lately. With the discovery of the germ theory a case of disease could now be traced to its source.

JAMES STEVENS, Toronto. Nature herself could not cure him, and consequently scientific investigation sought to make use of that element which assisted Nature to rid the body of germs and attending disease.

Drugs or Ointments were found to be the proper element. Since his discovery, medical science has been advancing rapidly, and for the most economical way is said to be used in Dr. Chase's Ointment.
