"PAINE'S" The Great Deliver From Disease and Suffering.

Paine's Celery Compound Full of Live-Giving Power an Virtue Is The Prescription of a Great Physician.

It Has No Equal As A Spring Medicine.

It should be well understood by the ailing, physically broken-down and diseased that the ordinary advertised nervines, sarsaparillas, tonics pills have never accomplished g'orious life-saving work in spring time that has marked the history that health-giver, Paine's Celery Compound, which has cured such desperate cases of kidney disease, liver con plaint, rheumatism, neuralgia, dys-

pepsia and blood diseases. Paine's Celery Compound is the dis covery of one of the ablest physicians that ever lived, and one of the strongest proofs of its worth and value, i the fact that able practitioners prescribe and recommend it daily.

It is this Paine's Celery Compound dear sufferer, the great nerve feeder the marvellous system cleaner and di gestive regulator, that we now strong season if you lack the strength true manhood or womanhood, young and old, the rich and poor extol its woodrous effects. Try its eurative virtues without delay if you would be free from your ailments and enjoy life. A bottle or two used just now will cause you to bless heaven that such a life-giver was placed before suffering humanity

A Family Matter.

FARMERS' SONS' VOTES. The assertion is made that the conservatives in the legislature were friendly to the giving of the farmers' sons votes. Long ago, says the Mail, it was demanded by these con servatives that every male inhabitant, except the criminals, the insane and the aliens, should have the franchise

Well, the record of the house proceedings does not say that. It does say, however, that in 1877 the liberal government proposed to extend the those who remain at home, and help to work the soil, might have a voice n the government of the country by the use of the Ballot.

How was that proposition received by the opposition, which was then led by Hon. M. C. Cameron? He moved in amendment that this favour be not granted. Why? Because the would be to confer special privileges fairly upon them (the farmer sons), and bristles with errors or untruths. They discriminate between different classes may be called errors if they are made of the people, contrary to the genius by some one who is ignorant of the and spirit of our constitution, and

The opposition to a man supported It is first asserted that the returning that resolution, which is somewhat to be wondered at, since rural life

war question, and that it is qui satisfied the British government capable, without pressure, of exercising the qualities of mercy and mag nanimity in its dealings with a dis tressed and fallen foe. EDITORIAL NOTES.

Again the sigh-"We've been

Oh, victory for Whitney is in ment wants is in the ballots of the nothing of their qualifications to fill

The great and original ballot switchers were conservatives, and the party in this capacity holds a record without a parallel. Its championship

The Whig has no knowledge of and no dealings with roustabouts. Whitney, according to one authority, is in his glory when he's with them and he can have a monopoly of their

"The voice of the people may be the voice of God," says The Tory, "but the voice of the party caucus is not the voice of the people." Do you hear that, Mr. Whitney? The discontent over your leadership is very widespread.

The conservative party professes to have a great affection for the work ingmen. Looking over the record the legislature the Whig cannot find anything that Mr. Whitney has done for labour party. Will he condescend to even notice it?

The Belleville conservative paper says that the one thing on which Mr Whitney can, with confidence, appeal to the electors, is his educational policy ? And what is it, pray ? talks of doing more for the public schools, but what?

The conservative party which proposes an excursion into new Ontariothe territory saved to the province by the liberals-will start out on May 26th. The Mail will, of course, have the usual report made upon the supplies that go along.

The greater part of the Clergue works are said by a conservative pressed over and over again in men the boom is on from there. Is it, growing rapidly, have rigidly kept now? What about the twenty mil- down the operating expenses. It is this that has made the government lions that have been invested in Canada? Don't they count?

The Montreal Gazette accepts the vote in Manitoba as a justification of the referendum. "Three-sevenths o the people cannot," it observes, "against the majority's will, regulate the personal doings of the four-sev enths." And it is right.

Mr. Marter will not run in North Toronto if there is a liberal in field. He does not wish to split the conservative party. He's a bett party man, apparently, than the fellows that are filling the air with their cries of "Traitor, traitor,

The Intelligencer is wrathful cause contingents of soldiers have gone from Canada at the British gov ernment's expense. Is it in favor of Canada paying expenses of all these contingents? Why does not the party offer a resolution in parliament to

What is Mr. Whitney's non-partizan plan of dealing with the liquor question? His party has changed its mind | Rev. T. G. Williams, D.D., Montreal so often that it would be interesting present temper, the council of Kingston s anything but a non-partizan body.

The income tax in England was the tax of flour and meat by a vote of 283 to 197. The duty on shorts nd bran was lowered, as a concession o popular demand, and yet the clanour goes on. The British people are vedded to free trade, especially in
