"BUILD UP ONTARIO."

And This is the Policy Proposed

To Do It. The policy of the Ontario government is briefly outlined as follows: I. To aid settlement and increase prosperity by trunk colonization roads and railways in order to make homes, for the sons of Ontario, who otherwise might seek a home in another province or under a foreign flag. 2. To apply a reasonable portion of the waste lands of the province John Muckleston, formerly of Kings aid of railways the lands to revert to on, now residing in the northwest, is the crown if not settled withing a rea-

3. To assist the dominion govern-

transportation of the products of the J. M. Campbell, of the Kingston farm, especially of horses, cattle and milling company, left this afternoon dressed beef, to the markets of Great for New York, whence he sails to mor Britain and to improve local transportation within the province, means of good roads, the removal tolls, and cheap electric railways. 4. To expand and increase our agri cultural wealth by improved methods of husbandry, fruit-growing, dairying cold storage, and the production beetroot sugar, and by reclaiming the undrained lands of the province. 5. To control and regulate the rates for passengers and freight on all rail-

grounds can be used, on the 24th of such as pine and spruce, into lumbe men who are now engaged in underneath it. The city engineer does mineral products, such as iron, nick and copper ore for the markets o

ways subsidized by the province, and

the ultimate control of such railways

7. To deal with our forest weal

rights of Ontario against any other 10. To enforce all laws enacted for the protection of public morality, with

firmness and impartiality. 11. To improve the practical educateresting story, written by Dr. Ed- tion of the artisan classes by the es ward J. Dillon, of the London Tele- tablishment of technical schools as is now done in England and the United

magistrate this morning, charged 12. To maintain the efficiency of our March. The case was adjourned until the same in the interests of the whole
