BUT THERE WAS EVIDENTLY alry. MISTAKE SOMEWHERE,

Engagements Are Still Going on in the Transvaal-It is Said That in View of Probable Peace Steyn Has Recalled His | English literature, at Trinity college,

Wife From Europe. London, May 3.-Despatches from South Africa report the capture commandant Manie Botha and twelve other Boers on April 30th, near Frankfort. He is a nephew of commandant general Botha, and was Gen. Dewet's ablest lieutenant. Gen. Kitchener reported, on February 28th, that Manie Botha had been killed, showing that there is a mistake somewhere. One despatch states that an engagement occurred on April 29th, at Rockfort in which a field cornet was killed, another wounded and one Boer captured. It is stated that ex-president Steyn, of the Orange Free State, recalled his wife from Europe after the peace nference at Klerksdorp. She and her children started for South Africa a

LOOKING FOR MEN. Scotland Yard Again Active Over

Robbery. London, May 3 .- Scotland Yard is showing renewed activity in the case of the robbery of the bank of Liverpool, in which two or three Americans, including Dick Burge, a prize fighter, were implicated. The bank | legislation has been copied lost £170,000 through the robbery, but part of this amount was recover-

Information has been received by the detectives here that James Mances, alias Mains, an American, who is thefts, is hiding in a small eastern city of the United States, where he is ployed as a car conductor. The New York police department is being communicated with on the subject. The Scotland Yard authorities have received definite information that Lar-

Ghastly Story By A Sca Captain

CAME THROUGH SHUTES TO FURNACE ROOM.

The Sight Unnerved the Stokers-The Bodies Buried at Sea-The Stowaways Were Negroes.

New York, May 3.-When the British freight steamship Sir Richard Grenville, from the West Indies, arrived in port Capt. Jones reported the tragic death of two West Indian stowaways. The vessel stopped at half a dozen The German Australian steamship | West Indian ports, among them be company of Hamburg intends to es- ing St. Lucia, where she coaled. It is tablish a new line to New York and at this port Capt. Jones believes, the thence to Australia by way of Cape stowaways, who were negroes, managed to get aboard the vessel by let-At a meeting of the French Canadi- ting themselves down to the coal an unions of Ontario, held at Ottawa, bunkers through the coal chutes. The men had evidently miscalculated the reached the coal bunkers, many tons two stowaways were literally buried

Nothing was known to the captain or crew of the death of the men until | post. the morning of April 18th, after the vessel had left Guantanamo, loaded with sugar for New York, when one of the bodies slid through the coal chute into the furnace room, while the stokers were piling coal into the fornaces, and while the vessel was making a hard fight against a northeast-

The sight of the body sent a shiver through the stokers, causing them to quit work temporarily. Captain Jones ordered the body buried in the sea. Six days later the stokers were horrified by another body which came through the coal chute into the furnace room. A search was than made of men was appointed to confer with of the coal bunkers, but no more bodies were found.
