come in 1817. I was born August 29th, 1821, at Hyde Heath, in the parish of Chesham, Buckinghamshire, England. I enlisted on March 29th. The earl, who is some years olds. 1840, in the 2nd battalion, rifle brigade, stationed at Windsor, England; served with the regiment six months in England; one year in Wales, one year in Bermuda, four years in Halifax, Nova Scotia, one year in Montreal, four years and eight months in Warning to Makers Respecting

lats licutenant-governor of Ontario. The first time I was sent for my pay I was recommended for sixty cents a day. Mr. Kirkpatrick looked surprised and said, 'Stacey, if you had not earned this money you would not be recommended for it, but you are the We make suits they \$6.15. first man I ever gave sixty cents a day to in this or any other country.

wadsworth and myself. I kept the garden for six years.

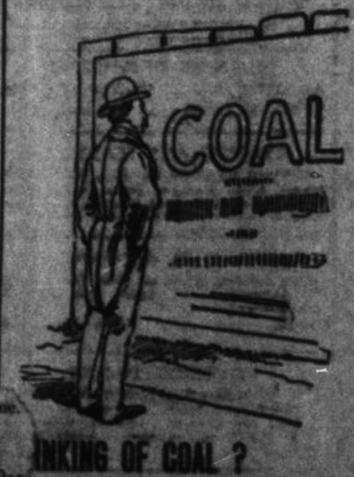

Then the police force came under control of police commissioners, and there being so many mechanics. I thought I would apply for a position. I was taken on at Christmas, 1859, and I served until the spring of 1878. Then I went as messenger in the bank of Montreal until the spring of 1883, when the messenger service was dispensed with. I went back to gardening, attending to lawns and gardens in different parts of the city until 1895, when I had to retire and let others do there do the work.

Wadsworth and myself. I kept the garden under the police force came under couraging replies from several of the associations, and he is hopeful of having the association formed on a good basis. One thing Maj. Harston wants is to have the association make representations to the government with a view of having a general decoration day on which all the veterans' societies would parade and necorate the monuments and graves of dead soldiers.

There is much to say in favor of the scheme. Such an association could be made of very great use in a number of ways. To keep green the memory

Warning to Makers Respecting

"On arriving in Kingston, at the cheese wharf, the first man that shook my hand was the late Dr. Barker, lather of the Eritish Whig, whose friendship I retained until his death. "During my soldiering in Kingston most of the time I was employed on a government boat taking officers and clerks of government works from Kingston to Fort Henry and back. During this time there were 300 men employed on the ginces at Fort Henry and back. During this time there were 300 men employed on the ginces at Fort Henry and back. During this time there were 300 men employed on the ginces at Fort Henry and back was laid up I was on the regimental police, not troubled much about the sentry box. I took a free discharge on the 1st of June, 1852, receiving ten pound sterling for good conduct marks.

Time and Shipment.

The cheese sub-committee of the home and foreign produce exchange has forwarded to the minister of agriculture are reported to the Canadian cheese received in England last senson, most of the time I was employed on the was taken of the part out the warning already as rank in flavor, due probabily to being shipped before being thoroughly cured. The committee also deprecates the shipment of too large a number of conferring degrees. Drunken Indians fired their camp at St. Boniface, on April 20th, and a policy of the late Thomas Kirkpatrick, father of the late Thomas Kirkpat

Dominion Of Canada Veterans. There is an agritation on foot at present to form a dominion of Canada veterans' association. The idea is to have all men in the doublinion who have served, members. At present there are veterans' associations scattered all over the country, but these tered all over the country, but these will be taken up by Mennonites from Nehraska.

There is great rivalry among the English and Welsh ports for the terminal of the proposed Canadian fast have these all affiliates with a central association. He has received encouraging replies from several of the associations, and he is hopeful of having the association make representations to the government with a view of having a general decoration on April 2nd, was fined \$100 and costs, or six months in jail.

BURDOCK BLOOD

THE GREATEST OF SPRING medicines.

In the spring the system is so overloaded with impurities that the organs are unable to properly eliminate the waste matter.

BURDOCK BLOOD BITTERS

is of the the greatest value in cleansing internally, just as soap and water cleanses externally. It flushes the sewers of the body, awakens the torpid organs and renews activity, pure blood is pumped to all parts of the body, thereby cleansing,

purifying and strengthening it. Don't stay siek, weak, tired and listless this spring. Take Burdock Blood Bitters and fool bright, healthy and vigorous. It turns Bad Blood into Rich Red Blood.
