Nutting, chief clerk of the Malt Breakfast Food your first m partment of trade and commerce,

> ed Thursday evening after a very ort illness. He contracted pneuonia last Saturday, but was not ought to be seriously ill. Last evenhe grew worse and died in an He was forty-two years of age, had been with the department for eral years. The late Mr. Nutting a prominent athlete and a good lle shot. He accompanied the Bis y team to England on one occasion

HE RESISTED ARREST.

But Constable Diamond Landed

On the 21st day of September last Brock street. A policeman told him to move on. Thomas said he did, but constable Arniel says he didn't Therefore he was summoned to appear in court for obstructing street. He never appeared. Yesterday he came into the city and was standing at the corner of Montreal street and Raglan Road when constable Diamond touched him on the shoulder and requested his company on a walk to the police station. Lindsay had been working on a farm, and his muscles were firm, and so he lic turnout. Another practice, followthought he would have a fall out of | cd by a meeting, will take place on the officer of the law. He banged the constable on the head, and landed his left on the chest. The honor of the force was at stake, and Diamond ground his teeth and determined to do or die. He landed his man on the street, face upwards, and put the nippers in place. In the fall the con Lindsay continued to fight until a d livery waggon came along, when he built. St. Mary's cemetery w was bundled into it and taken to the police station.

In court this morning there were Your Spring Hat, Sir ! two charges against him. Hel stated The new blacks and correct that he didn't remember striking the 5c., \$1, \$1.50, \$1.75, \$2. The h onstable. If let off he would return onstable. If let off he would return the farm near Loughboro lake, All tobacco stores keep Carame let off with \$10 and costs, or a month sion would be arrived at. SMART GIRLS AND - in jail.
