Statement That Peace Prospects Not Very Rosy.

TO PROCEED IF THE BOERS WANT MORE WAR.

Rapid Progress To Normal Times in South Africa-An Announcement That Gave Great Satisfaction-Abandonment Of Additional Stamp Duty.

about to be renewed for three years entered into with the two big Ger of the season. man steamship lines, by the promo- The engineer of the Roraima, which | reith parallel and the state of Ohio. ters of shipping trust, is confined ex- exploded at St. Pierre, is a Montreal "Your overflow population is after clusively to the north Atlantic trade. firm the report current that Morgan is endeavoring to purchase the Manches-

ter ship canal. There, was a tendency on the stock exchange yesterday to credit the limes' statement that peace prospects in South Africa are not after all very rosy. There is little doubt, however, that if the ballot boxes at Vereniging declare for the war, lord Kitchener is prepared to give the voters their de-

Rapid progress is being made in the eturn to normal times in South Africa so far as the Johannesburg gold dustry is concerned. The Rand gold output for last month reached the total of 119,588 ounces, an increase of 5,461 ounces over the March output. The total for the four months of current year has already exceeded the total for the whole of last year by

Satisfaction was expressed in banking and other business circles last evening when it became known that Sir Michael Hicks-Beach had announced that the abandonment of additional stamp duty on checks.

The Right Hon. W. J. Pirrie, managing director of Harland & Wolff, scouts the idea that any national interests of this country are menaced by the Atlantic shipping combine. It is understood that it has been led to equip British war vessels future with a combination of system of boilers, one-fifth being of cylindrical and four-fifths of water tube type.

The directors of China mutual steam avigation company have received an much to prevent the destruction offer for their property. Although the offer is made by Liverpool ship-owners it is rumpred that the real buyer is James J. Hill, of Northern Pacific railway company.
