The Only Perfect Health Foo For Young and Old.

Malt Breakfast Food is now recog nized by food experts and physicians as the only true health food for young and old. It possesses all the important virtues that are lacking in other prepared breakfast foods. It is partially cooked and predigested therefore adapted for the weakest stomach. It is the most delicious to the taste of all grain foods. It is the most nourishing, most appetizing and ost economical of foods; one pack makes a meal for at least tweny-five people.

Malt Breakfast Food is doing a wonderful work for dyspeptics and those suffering from stomach derangements. The use of Malt Breakfast Food for a month will banish the dys peptic's woes and sufferings. It is al ways refreshing to the stomach, and tolerated when all other forms of food are rejected. It is the ideal food all seasons for growing children older people. Your grocer can supply
