Heralds

of Empire

North." 12 mo. Cloth, \$1.25. Miss Laut has written the most charming novel of the day. This, in some quarters, may be considered a broad statement, but the doubter is respectfully referred to the book itself. From the first page to the last, the interest to drag. As a romance it complete. As a book of historical interes It has a distinct value without being historical novel. As a literary production,
