mayor Shaw, by a majority of 157, That Mr. Pense would win the Kingserious contemplation. But the libe rals knew better. They had sized up the whole situation, and with their admirable organization, figured out final majority of 150 - an estimate which was remarkably close to that actually received. The conservatives counted upon winning by from 100 to 200 majority, but, like many other people they proved to be very bad At arithmetic. They failed to realize that they had run up against one of the strongest candidates the grit party could put forth, and that election cannot be won by abuse by the glad hand. The liberals Kingston have every reason to fee proud of their victory, and so has th

Not since the days of Sir John Macdonald has there been such a keen ly contested election in Kingston. Op posed to Mr. Pense was the stronges and most popular man the conservative party could find in its ranks. H was chief magistrate of the city, and actively engaged in political warfar for years. And it is this tory Goliath that the liberal standard-bearer ha made to bite the dust, and by, so do ing proved to the enemy that th Kingston grits were a united body Remarkably quiet was the contest until a few days ago when the election wrath began to break out. On Tuesday and Wednesday many bets were made, most of them even, but in some cases a few of the enthusiasts on either side giving odds. The tory gathering on Wednesday night made the Whitneyites very cocky. But they didn't count upon the strength of their opponents, and they did count upon the support of people who never intended to give their votes. And on election day there was an awful sur-

Before eleven o'clock in the morning it was clearly seen that Pense was in the lead, and keeping up a good pace. At noon, the liberals were confident that they had the tory candidate beaten. Voting was very brisk in the morning at the majority of the subdivisions, and in some, few votes remained to be polled after four o'clock. When the polls closed, the

night." With a troubled look

The speech was finished amid hearty applause, and then the audience called for Hon. William Harty. He was there, and was most enthusiastically received. "Of all the victories we have ever had," he said, " none compare for a moment with that which we have achieved to-day. Both sides worked. Neither asked for quarter, or gave it. Both chose their best man never saw such a straight party fight. I am proud that you stood by your candidate, by your friends and

by the best government Ontario ever had. Give our opponents a penny whistle, and they will make more noise in five minutes than we could in five weeks. They have a number men and a newspaper, and a set writers who are wholly careless of th truth. In fact, as far as the newspaper is concerned, it prefers to print lies instead of the truth." "Harty, how are ye?" shouted a

voice in the crowd. "All right, my boy," was the reply. Going back to his theme, the speaker said: "A cleaner election and a cleaner paper than the Whig was never seen, (cheers). I am proud of the men who handle the pen in that office. We have a combination here." as he swung his hand over the audi ence, "and great efforts were made to break it. The reform party has control of this city. Divisions 22 and 22a., Victoria ward, were hard spots. The conservatives declared they would have a majority of from sixty to eighty there, but we held that down to only eleven against us. prouder of the good old grits of Kingston than I ever was before." The crowd next called for one of its old fighters-ex-alderman John Mc Kelvey. He, too, was given a splendid ovation. "I never was so proud of the reform party as I am to-night," he declared, "but I am too tired to
