London, June 5 .- Sir Michael Hicks-Beach, chancellor of the exchequer. gave a lengthy review last night in the house of commons of the financial situation. He said that the whole £40,000,000 (\$200,000,000) provided for in the budget for the prosecution of the war would be needed to effect the demobilization and the transportation of the British troops in South Africa, to move the Boer prisoners from the various concentration camps and to furnish garrisons for South Africa.
