convention all pointed to avowed

hostility to David Bennett Hill all the other state enders, who were lukewarm in their support of Bryan in his two campaigns, or who openly opposed him. In an address to the public the organizers of the new par-

ty declare : "The false leaders of the party this state under David B. Hill prior to 1894, in absolute control of the government of this state, but accomplished nothing for the people and and betrayed the confidence reposed in them. Having prostituted the party to a debased and degraded mercenary level, they used it simply as a means of granting favors to the few. David B. Hill as the leader of the party from a majority of 192,000 in 1882, to a disgraceful defeat in 1894, when, as candidate for governor, the people of the state repudiated him and his leadership by 150,000 majority. These men again, under the leadership of Hill, now have the impudence and audacity to ask the confidence of the

Among well-informed politicians the new movement is regarded as of more national than local significance. They believe it to be a well-laid plan of Mr. Bryan and his followers to eliminate Hill as a presidential candidate in 1904. Talk about the democratic factions having agreed on Hill for a leader in the coming campaign is giving the Bryanites great concern. They calculate that Hill can be head ed off as a presidential possibility by the nomination of a third state ticket this fall, and the consequent defeat of the regular candidate for governor, raised to the first of the hereditary These views of the situation are strengthened by the fact that Norman E. Mack, New York member of the democratic national committee, others. as been in the west conferring with the Nebraska leader, Mr. Bryan recently suggested the nomination of Mr. Mack for governor, and to-day's Dowie's Male Followers Told To gathering of the element in revolt is ganized fight of the Bryanites to down Hill and defeat his hopes of be-

### was according to results. A list of the number who operated in each constituency is being obtained, and when full particulars are revealed at will show one of the most gigantic networks of corruption ever operated by any party. ENGLAND'S FINANCES. They Show Great Strength After War Years.

London, June 7 .- Prior to the cond reading of the loan bill in the

house of lords, lord Goschen, (liberal and a former chancellor of the exchequer), announced that he desired to say a few words on the financial position of the country. Consols, which were now paying only 24 per cent., stood at 97. Before the consersion of 1888, 3 per cent. consols stood at 101. If they had been converted then they would have been worth only 82, so that now the stock was really fifteen points higher, and that after a costly war and the borrowing £150,000,000 (\$750,000,000), the country might well congratulate it self on a situation which showed such economic stamina, he said. The premier, lord Salisbury,
