Jewels, candy, flowers, man-that is the order of a woman's preferences. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her for-tify herself against the insiduous consequences of coughs, colds and bron-chial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at Wade's drug store.
