DR. J. COLLIS BROWNE'S CHLORODYNE.

THE ORIGINAL AND ONLY GENUINE. Chlorodyne is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

From W. Vealish, Pettigrew, M.D. formerly Lecturer at St. George's Hospital, London—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Anti-spasmodic and a Sedative I have used in consumption, Asthma, Diarrhoea, and other diseases; and I am perfectly satisfied with the result."

CAUTION—BEWARE OF PIRACY AND IMITATIONS. CAUTION—Vice Chancellor Sir W. Page Wood stated that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE, that the whole story of the defendant Freeman was deliberately untrue, which he regretted to see had been sworn to—See Times, July 13th, 1884.
