BUY THE TRUTH AND SELL IT NOT."

What Truth Really Is-Temptation to Sell it For Pleasure, Riches and Advantage is Ever Present.

A large attendance at St. George's cathedral was noticeable on Sunday Carnard, cables that Col. Humbert, a N.Y., ron an excursion to Kingston evening, when the bishop of Ontario was announced to preach. He founded a forcible, truly eloquent sermon on the text, Proverbs xxiii., 23-" Buy the truth and sell it not." The clothing of truth with the attractiveness of light and power was a beautiful piece of diction. Truth Charles Powell, Araprior, arrived was not mere vergeity. It was a "I have succeeded in converting the home to-day to attend the marriage | true statement of conception of uncourt opened this afternoon before jus- The real truth, the abiding faith, was interchangeable, miast incessant change, flowing on like a mighty riv er, yet firm as a rock. It was not an array of numberless facts, or countless verities, since of no truth are we certain but of God's word unfolding man's happiness and hope. The bible was not so much an expression of dead, the smell of the battle-field; and God's thought as a revelation of with it the scent of sulphur such as Himself. Jesus Christ, the light, the truth, came not so much as a revela- when many fire-crackers have been tion or witness as a manifestation, burned. In another house the family because He was God. "He that seemed to have gone to death, hand hath seen Me hath seen the Father," in hand. In a bath-tub lying on its As the ocean mirrors every star, so love was the body of a man, in a our Saviour reflected the Eternal cradle the body of a child, and by its cures them effectively of any liston to the disease. We liston to the disease. We liston to the disease. We liston to the disease in the habit of writing out his speech. and shutting where no man opens.

The text proclaimed that truth was a matter of purchase, could be parted with, and that the parting was wrong. cupids; the hands had stopped at ten The purchase was defined by our Lord's use of the term in parables .on His part the inestimable sacrifice; the cost on ours, the everexistent struggle within, the subordination of mind and will, the looking unto Jesus. It was not an easy purchase and yet so simple that we can "Nothing in my hand I bring."

But it involved the use of God's ap the lower part of the city. Down this. pointed ordinances, His means of city had flowed a great stream that I might read his notes if I Japan tea, 25c. Corner Johnston and grace, and this involved an effort, mud, following the Riviere Blanche self-denial, perseverance, consecration, and that with the fall of ash and but blessed would he be who endured sand had buried the houses so that
