Indeed, a scrap of any money, whose owners are not known. sort of paper found within half a mile of a polling booth is immediately despatched to Morrisburg to be examined under what Mr. Weller called the million-magnifier. The reasoning powers which we humble people exercise on the ordinary affairs of life some silver trowel, suitably engraved have been temporarily called in, so far as the Ontario tory editors are concerned. They are in the position of that judge who, having heard the case for the prosecution, refused hear any more, because he had his wards games of various kinds were mind made up and further evidence Sanford. Capt. McDonald, arrived ble Compound, used in conson, James Brickwood.

Ladies' race Miss Davy, Min Loney.

The for me than all the medicines of participated in, the most interesting of participated in parti tal eclipse into which too much brooding on one subject has thrown them afforded by an episode in the North Grey case. When the votes were counted by the deputy returning officer at poll No. 9, St. Vincent, there candidate and forty for the liberal. After the difficulties about the four double cross on them, affidavits were to hang Nicholson to the yard arm. obtained by the conservative man. He was protected at the point of reagers from those who had voted for volvers, and when he reached here Mr. Boyd in that sub-division. Unfor was turned over to the federal autunately this proved too much, for it thorities. He is from a prominent was found that thirty persons swore family of Halifax. they had voted for him, although but twenty-nine ballots so marked came out of the box. This count remained in this somewhat unsatisfactory con cition for a week or more, and now it appears that still another supportter of Mr. Boyd's has turned up. S that thirty-one persons take affidavite that they voted for Mr. Boyd, while twenty-nine ballots marked for him came out of the box. This slight dis crepancy might discourage people of ordinary resources and less sanguine temperament, but it does not das the spirits of conservative journalists for a moment. One explanation cov era all such unexplainable thingsgrit rascality. Two of the ballots de posited by the conservative voters were switched, is the explanation that is glibly offered to the public. It will be remembered that all wh were in the polling booth, including

> the conservative scrutineers, have stated that the process of counting the ballots was watched so keenly that they are ready to assert that the marks which were afterwards found on the ballots were not there when the count was made. Whether it is possible that a watch so close as this could be maintained, it would certain ly be close enough to prevent the returning officer doing anything by which a ballot deposited for Mr Boyd could be converted into one for process by which a vote is recorded. The voter hands the ballot which he ing officer, that gentlemen merely glances at it to see that his initial is on it, and immediately thereon drops it into the box. Does any voter de part until he has seen the ballot he has handed in duly deposited in the cer. The wizard Houdin could scarcely circumstances. Yet we are asked to believe, apart altogether from the question of the honesty or dishonesty the returning officer, that these sleight of-hand wonders are performed by the ordinary, everyday citizens of quiet country sides. In the story that our conservative friends are te ing there is no use objecting that as

elephant cannot climb a tree. In the

interests of the story the elephant

Good Cheer For The Poor. For many years the new first assis ant postmaster-general, Robert Wynne, has been a newspaper corres pondent at the national capital. Few

men have a wider acquaintance "The meanest man I ever knew said Mr. Wynne, "was a money lend er. There was a hard winter in the city I lived in. The leading men of the community were called together to devise methods of relief. First a panquet was served, and after generous champagne had, as was supposed, warmed up the reluctant sympathies of even the most conservative persons present, the chairman of the evening rose to

"He contrasted the unlimited cheer they had enjoyed with the pitiful hunger of the poor. His language was di-James Laturney, jr., who last week were united by the gentle though firm bands of Hyman. That the course through life of Mr. and Mrs. Laturder I referred to arose.

"Said he: 'I have been sincerely touched by the language of the chairman, and I therefore propose that we, the assembled capitalists of the city, give three cheers for the poor of

MURDER ON HIGH SEAS.

Killed a West Indian-Narrowly Escaped Yard Arm.

Pensacola, Fla., July 8.-With one man heavily bound with chains, a crew bordering on mutiny, and several officers who had hardly slept for a week, the American schooner Mary The murder, in the eyes of the crew, was so unwarranted, it is said, that a session of judge Lynch's court at sea was narrowly averted by the conwere twenty-nine for the conservative stant vigilance of the captain and of ficers. The man killed was a West In dian, and other members of the crew ballots that were found to have a of that race several times endeavored

Meets At Copenhagen. Copenhagen, July 9.-Feminine lend ers from many parts of the world are gathered in the Danish capital for the annual meeting of the executive com mittee of the international council o women, to be held here during the next three days. The initial session was held to-day at the home of the president of the Danish council, Froken Henni Forchamer. Mrs. Susa Young Gates was present as the representative of the national council of women of the United States.

Among the delegates there is much discussion concerning the next president of the international council. Until the election of the incumbent, Mrs. May Wright Sewall, the honor had al ways remained in England, and it i reported that a coalition is afoot to bring back the presidency to this side of the water at the next election. Two items of business to receive at tention at the present meeting are the proposal to form a new co-operative committee on internationalism, and recommendation that international societies be allowed affiliation with the international council.

Wedding In Army Circles. Fort Laredo, Texas, July 9,-The wedding of Lieut. Frederick Brooke Mr. McKay. Every voter knows the Neilson, of troop "E" 12th United States cavalry, and Miss Mary Keller, daughter of Col. Keller, 24th United has just marked to the deputy return States infantry, took place at Fort Laredo to-day.
