IN FIRST FORM IN THE COL-LEGIATE INSTITUTE

Board of Education Defers Making a Coal Contract-A New Teacher Appointed to Collegi- so then to order the necessary arate Institute-Board Adjourns Until September.

A regular meeting of the board of call of their names : Edward Bennett, work. If the first form in the collegi-Elliott, J. S. R. McCann, James La- and other places, the pupils would atturney, W. H. Wormwith, R. J. Mc- tend Thomas Lambert, John McIntyre and and fathered the amendment introduc William Kelly.

ton, applying for a position on the commendations.-Referred to manage-

ment committee. Forty-two teachers applied for the vacant position on the collegiate institute staff, and their names were board adjourned. read by the secretary. The chairman stated that the applications had been considered by the management committee. They had not previously been referred to it, but such was done at

The Finance Report.

Mr. Lambert presented the report of the finance committee, recommending payment of the following accounts. L. Kellogg & Co., Journal, \$2: Times printing company, \$12.25; J. G. Foster & Co., directories, 81; Grawford, fuel, \$31.29; V. Ockley & Sons, \$10; Oram & Carter, \$8; domin ion government, rent, \$1; Strange & Strange, insurance, \$3.85; Edw. J. B Pense, \$15.85; Wood's Fair, \$5.60; F Nisbet, 21.10; D. A. Weese, 89; water works department, \$258.45; C. Follest, labor, \$17.32; E. Derbyshire, labor 81.75; S. Rees, cutting grass, \$2; George Hentig, \$6.85; Taylor & Hamilton, \$7.56; J. McKee, glazing, \$1.60 S. J. Horsey, \$5.03; W. Morrison. carting, \$3.60; Elliott Bros., \$3.03 Robinson Bros., \$2; W. A. Mitchell, 812.80; W. N. Lemmon, \$3,70; C. Follest, 85; A. Strachan, \$14.07; Hammacher, Schleminer & Co., \$3.60; cus tom house, duty on tools, \$1.20. Your committee received tenders for uel. The tenders for coal are so high that your committee cousiders would be wise to delay the purchase of fuel for a few weeks in order to see what effect the termination of the strike will have upon prices.

Mr. Lambert moved, secondea Mr. Fee, that the report be adopted Mr. Meck was not satisfied that th purchase of fuel should be delayed. Mr. Lambert stated that the prices were considered too high. The lowest figure for hard coal was \$6.87 a ton. and for soft coal, 85.47. As about 400 tons were required, the cost did not see why a better price could not have been obtained.

coal in any month cheaper than we ployed in Toronto. bought last May. It will be sui-

Mr. Elliott-What was the actual cost of the coal supply last year? The secretary replied that it was

Mr. Richardson-What's the being held up by people this way? can buy soft coal-Nova Scotia coalin Montreal to-day for \$3.80 a ton. Mr. Bennett favored a few weeks delay in the purchase of the fuel. Mr. McKelvey was willing to give

the committee conditional authority to purchase coal. Mr. Richardson | said that, at the tendered price, the cost this year would be \$468 more than last year No mistake would be made by waiting from Fort William, with wheat,

Mr. McKelvey moved in amendment to the report : That the last clause have added to it the words : "and that the committee be authorized to contract for coal provided the prices do not exceed those of the lowest

The amended report was adopted The management committee, said chairman McKelvey, did not have its report ready. He moved that committee be given authority to an point a teacher as a successor Miss Iler, the retiring collegiate stitute teacher. It was not right that twenty-nine applicants should kept waiting to learn their fate. selection would be made from about five or six names. It would be hard to get board together later. Therefore the committee asked for this power. The committee was allowed to retire to bring in a report based on information that it had just received.

After about fifteen minutes' absence the committee returned, and Mr. Mc Kelvey introduced the following re-

A Teacher Selected.

"The committee begs leave to re commence that Miss Kate Beaton, B A., of Orillia, be appointed to the vacant position, salary to be \$700 per

This was unanimously adopted by Mr. Laturney moved, seconded by Mr. Godwin, that the management committee be requested to report on such arrangements as will be required to make the first form in the collegi ate free to all pupils passing the entrance examinations in the city to get away.

There was considerable objection to this, coming, as it does, at a time when the budget has been fixed. Mr. Meek, moved, in amendment as possible (1), on the cost of estabishing a fifth form in connection with the public schools, and (2) as to the advisability of making the first form

n the collegiate free. Mr. Kelly favored Mr. Laturney's olution, saving it was in conformimade at the time a fifth class flourished in the public schools of the city and to the effect that such a class

tion of the matter was that it was en loaf, cottage loaf, James Redden then held, that any parent might de- & Co.

mand that his children be taught fifth form work in the public school, and that, the board would then have had to supply a teacher or pay the pupil's fee at the collegiate. Mr. Elliott said it was necessary now to first secure information, chiefly as to the cost of abolishing the fee in the first form in the institute, to consider if it was expedient to make the change and if rangements. He favored the amend-
