Brain Food Nonsense. Another ridiculous food fad has been branded by the most competent authorities. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must vent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action. purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Wade's drug

The Finest Train In Canada. Fine Health Resort.

"The people of this city do not and is saving the lives of children, making them robust and healthy. It is elevator and Central Methodist church printed by private contract, the work er to take her children to the park air, cooled by the breeze that sweeps in from lake. There are not any death dealing microbes floating in the air The steambarge John Milne, Smith's they breathe, as would be the came Falls, is at the Kingston foundry were they penned up in the heated city, and they are able to enjoy vigorating exercise without fear becoming over-heated. There are some who begrudge the Folgers the success they have met with, but I hold that they are deserving of every dollar they make: they have made Kingston city with their enterprize and the pity is that we have not more me

A Busy Industry. The Kingston foundry was nev busier than at present. Selby Youlden, the energetic proprietors, employing between sixty-five and venty men, and the foundry is scene of great activity. Two large boilers and a big smoke-stack, eighty five feet long, are being built for th Canada Portland Cememt works Marlbank, Another large boiler being constructed for the Ontario wheel works at Gananoque. The new boiler for the Kingston water work pumping station is also under con struction, and besides this there is great deal of smaller work and pairing. Nearly every day one more steamers are at the wharf ceiving repairs. The foundry is one the city's chief industries and citizen are pleased it is growing in prosper ity. A large number of the striking machinists and a number of moulders formerly of the locomotive works have found employment at the foun

A Lamentable Death. A death of more than usual sad ness occurred in Loughboro townshi on Sunday last, when Miss Stella Cos grove, of Oates, passed away after short illness. The deceased was exceedingly popular in her community and had a large circle of friends. She was of a kind and gentle disposition, always agreeable and cheerful. The funeral, held on Tuesday, was one of the largest ever witnessed in Loughboro, testifying to the worth of deceased young lady. The pall-bearers were her brothers-in-law, Peter W. Donoghue, of Kingston; M. Donaghue Joseph Johnston, William Koen, and Luke McDonald and William M. Koen. After a solemn requiem mass in Rail ton church, the remains were laid to lest in Railton cemetery.

Fine Collection Of Curios. Trooper C. Killeen, who returned last week with the Canadian Mounted Ritles, after a lengthy service in South Africa, brought with him as fine, collection of trophies and curies has been seen in many a day. He has had them mounted in a large glass ease, and they will be placed on exhibition in Breck & Halliday's window, Princess street. The dismantled and the bridges and side walks at that place were washed out.

CLASSES ONLY FOR WOMEN. University Senate Votes in Favor

of Segregation. Chicago, Aug: 1 .- Segregation of women students in the freshman and sophomore classes of Chicago university, is now assured. The senate has finally voted favorably upon the question. Segregation means that women of engraving and printing has turned will live on a campus of their own and attend classes from which men will be excluded.

however, is not final. It remains for given is that the private concerns can the trustees of the university-to take do the work cheaper because they do up the question which has aroused so not have to pay their employees the much comment in educational circles same wages that are paid by all over the country.

A Successful Teacher. The Advance, published at Glenwood Springs, Col., of date of July 26th, contains a lengthy notice of musicale given by pupils of Miss Lillie Brady, formerly of this city and Harrowsmith. The report says that the "musicale was a grand success, each pupil playing intelligently and giving evidence of clever training. Miss Brady was warmly congratulated after the successful affair by the critics who formed the audience upon the success achieved by her pupils. A feature of the programme was the rendition of Gounod's "Ave Maria," with violin obligate by Miss Brady, who was a violin pupil of O. F. Telg mann, this city. Miss Brady is mak in a success in the far west as teacher of music.

This Is The Ninth Season, That we have acted as agent for the fruit growers of Grimsby and Niagara districts. They say prepare for a large crop of plums, peaches and pears. So Carnovsky advises finishing up the canning of small fruits and preparing for bargains in plums, pears and peaches.
