WRECKS CLAIM STIRS VATICAN.

Reported Sale of Friars' Lands Causes a Surprise.

> Rome, Aug. 7 .- According to information received by the Vatican, almost all the real estate belonging to the Spanish friars in the Philippines was sold before American occupation to syndicates and corporations duly registered and legally recognized, headed by Americans living in New York, It is alleged by the same authority that although the friars hold some shares in these corporations, they do not own control of the interests. The Vatican is surprised at this in

formation in view of Governor Taft's proposition to buy the friars' lands, which apparently are no longer in their control. It is considered remarkable that Governor Taft, fresh from the Philippines, was not aware of the situation.
