THE CONSULATE IS SACKED

VENEZUELAN REVOLUTIONISTS CARRY ON PILLAGE.

Women Are Maltreated—Foreign Consuls Appeal For Warships to Protect Life and Property.

Port of Spain, Island of Trinidad, Aug. 12.—Details of the fighting at Barcelona, Venezuela, received by boat show that a terrible battle started on Sunday, August 3rd, and that on the following Wednesday the revolutionists entered the city.

They kept up a continuous firing day and night, destroying houses one by one to reach the centre of the city. At mid-night, on Thursday, two-thirds of the city, in their power.

On Friday the government strongholds were carried and the survivors of the government officers tried to escape by the river to the sea. Failing in this, they made one last stand, after which, at noon Friday, they surrendered to the revolutionist commanders, Generals Francisco Monagas and Platero.

Among those taken prisoner are Martin Marcano, president of the state of Barcelona, and commander of the government troops; eight generals and twenty-three colonels. The dead on both sides numbered 167.

All houses in the city were sacked and in some instances inoffensive women and children were maltreated and killed.

All stores were pillaged, especially those belonging to foreigners, and the French cable office was robbed.

The American, Italian and Dutch consulates were pillaged, and the consuls have asked for men-of-war to protect life and property.

United States Minister Bowen at Caracas has cabled to the United States cruiser Cincinnati to go to Barcelona without delay and take provisions.

The Topeka is anchored at Porto Cabello, the Marietta is in the Orizaba, the German warship Falke is at Orizaba, and the Italian cruiser Giovanni Bausani and the British cruiser Pallas are at La Guaira.

Will Watch Interests.

Washington, Aug. 13.—One of the U. S. warships at Porto Cabello, has been ordered to Barcelona. It will be either the Topeka or Cincinnati. The vessel which remains will be prepared to land blue jackets at Porto Cabello in case of necessity.

Commander McCrea of the gunboat Machias, at Cape Haitien, August 12th, reports that the attempted blockade of the port by the revolutionists is ineffective, and has been abandoned.
