YOU SHOULD USE

Malt Breakfast Food

Force, Vigor and Strength to the

Puny and Frail.

You should use Malt Breakfast Food because the Malt in it gives to the

gluten wheat granules from which the

food is made a most delicate and ap-

pealing flavor, very different from

that of the insipid flat foods now so

common. The Malt adds its strength-

ening and tonic properties, and makes

Malt Breakfast Food the most valuable cereal food on the market. It is

specially adapted for invalids and peo-

ple with weak digestion. It is good

for the strong and weak, for the child

and the strongest athlete. Ask your
