

A GREAT FINISH, PONIES TIED GOVERNEUR IN THE NINTH

And Won in the Eleventh—Gananoque Lost to Antwerp 6 to 4—What Con. Daly Has to Say About Gananoque.

Ponies finished in whirlwind style yesterday, in their exhibition match with Gouverneur. When they began their ninth innings the score was ten to five in Gouverneur's favor. It took five runs to tie the score, and exactly five did the Ponies make. Borgian, Chevrey, Ishin, Hunt and Elliott, all made hits, "Chauer" making a home run. It was a fierce finish indeed. Then two more innings were played to decide the match. In the eleventh, Tilson scored Elliott by making a clean base hit.

Dorgan pitched for Ponies, and though not having been in the box for a month, did fine work. Thirteen hits were made off him and seventeen off Vowinkel, Gouverneur's best twirler.

The visitors had great luck in the third innings. With two out, a ground to shortstop struck a stone and bounded over Easton's head. Five runs was the result of this little accident.

Sport In General.

Antwerp defeated Gananoque in the former's grounds yesterday, 6 to 4. The Oddfellows and the Longshoremen will meet at the fair grounds on Monday.

Ponies and Gananoque tied yesterday in the St. Lawrence league. The finish will be exciting.

The Athletics baseball team journeyed to Gananoque to-day to play a game with a junior team of that town.

From the general outlook of the N.A.U.C. series, Cornwall people are of the opinion their team will be in the saw-off, if there is a saw-off for the championship.

Miller, second baseman of the Toronto baseball team, may be out of the game for the remainder of the season. He is a cripple, the result of the injury to his foot at Providence.

Guy Curtis, whose football and horse fame should entitle him to a monument on Queen's grounds, is at Delta, where his greatness is going to seed. Asked why he didn't work, Guy replied: "I daren't."

Eastern League catchers are in demand this year among major leaguers, and already two players have been picked up by the National League. Good catchers are none too plentiful just now, and real good ones are very scarce.

The prospects for rugby in Brockville for the coming season are all right. Most of the stalwarts are available, including Ritchie, Wilkinson, Graham, Dobie, Doran, Simpson, Stevens, Doir, MacLaren, Martin, Phillips, Whalen, Carr, Curtin and Donaldson. An effort will be made to keep a junior team going throughout the season.

Complaint was made at the Knockers' Club meeting last night that "Chauer" Elliott was lowering the dignity of the Ponies by playing lawn tennis in Victoria Park. A committee, consisting of "Dunny" Burke, "Alie" Pierce and Dorgan's "Bunny" was appointed to interview the offender, and ask him to invite the whole team to the park to participate in the refreshments.

Con. Daly, Gouverneur's shortstop, has no use for Gananoque, where he played baseball the past two years. If they do win the St. Lawrence league pennant, he says the club managers will pay at the expense of their poor players, half of whom have not been paid their salaries. A prominent Gananoque man wanted to beat either Gouverneur or Ponies. "If you have \$100 to bet, go and play [your players] what you owe them," was the Gouverneur man's quick retort.

Daly seemed to be very troublesome on the diamond, but after leaving Gananoque he seemed to lose his kicking constitution, which no doubt was a Gananoque contagion. Now he's as quiet as a mouse.

as a lamb, and a fit companion of "Dyson" Easton or "Jerry" Hunt.
