C. W. Young of The Cornwall, Ont., Freeholder, has the following article in Forest and Stream. How much does it cost to kill

Well, that depends. If you are a member of the Restigouche Club your bill may run up a thousand or more. but ordinary mortals can do it for a good deal less.

I dropped off at Campbellton, N. B., on a mid-June morning, and looked up Billy Sproul of the Royal Hotel, and got a pointer or two. At 6 o'clock I took an accommodation train a few miles west of Flat Lands. New York, May 9, 1902.

Gentlemen—Many years ago I recommended your Safe Cure to my old friend Gen. William Frost Nuttall, of the British Army, who was a great sufferer from kidney troubles after long service in India. He took my affice, and, after using your remedy, he was completely cured, and was a hale and heart was practically free a nominal water was practically free and not be a not be mile of it altogether, and the Resti-I, myself, have used your remedy with the greatest benefits, as I was refused by the Equitable Insurance Co. years since for indi-The second or third cast little short, however, and a few

"Black salmon," said William, "and no good anyway." These kelts or black salmon are fish that have wintered in the river, and are lean. lanky fellows, not fit for food, but liable to give you as good a run as any other. Our first victims may or The manufacturers so firmly believe WARN- may not have been kelts; the guides and sympathetic, and William may have been letting me down easy.

The stone is pulled up, and we drop down a few yards Arther, and after a while, with a moderately ineness of this offer is fully -uaranteed by short cast, a good-sized fish takes the the publishers. Write the Medical Depart- fly, turns over, and then trouble begins. Right out into the river he goes, the reel screaming with delight, one could almost imagine then an eruption in the water, and three or four feet of glittering silver is in the friendly place to stop, cheap withal, air for a second or two. Another run and then a sulk at the bottom. with a steady chug, chug, as if the fish was trying to get rid of the hook that was interfering with his freedom of motion.

> "Keep the strain on him." said William, "and look out when he goes again." A few minutes of suspense, then another rush and another jump and away he races up the centre of the river.

"A Metapedia salmon bound for the club-house for sure." But towing a canoe was a pretty heavy drag. and soon there were signs of distress. The fish led somewhat more easily, and taxes. Apply to Kirkpatrick, Rogers he was reeled up and ran out several times, each rush a Little less vigorous. All the time the canoe was being worked nearer shore, till at last stores and offices. J. S. R. McCann, 51 I was able to get on the gravel Fifty feet out the fish was lying almost exhausted on the top of the water and was coaxed in till a stroke all modern improvements. Possession may of the gaff impaled him and he was be had at once. Apply to S. Roughton, kicking himself on the gravel, when a blow from a stick straightened him | bellton, N. B., has several excellent out. A Metapedia salmon he was, deep and chunky, only a day or two from salt water, bright and shining, and on the scales a few hours later weighed 22 pounds.

They were not specially keen in the | sulted about the Upsalquitch, Gore streets, near the park. Modern in every way. Daisy hot water heating and fish, and just as we were preparing in perfect order. Apply to Felix Shaw, to suspend operations a good stiff strike. This fish did not jump, but sulked for perhaps half an hour, then a wild rush or two. In vain we tried to guide him to a snug harbor, he would make for the south shore where there was no chance to land A rather stiff rapid intervened, and in the trouble of navigating it with one man, the fish said good-bye, taking with him the fly and half the HENRY P. SMITH, ARCHITECT, ETC., leader. It was nearly train time again, and reluctantly we wound up high courage and bold adventure and

operations for the day. ing I found that two other parties had arranged to fish the Montgomery for advance. We are confident that the and Suction waters; so Delaney and I betook ourselves elsewhere, on water of his own, with fair success.

One of the men had only a trout outfit and a shaky one at that, a weak reel with worn-out mechanism, | throw upon the situation. and a line that broke easily between the fingers. He had never seen a salmon in the water, but with the proverbial luck of a tenderfoot hook- ship we cannot allow any discussion ed one early in the day, and, being blessed with two guides-Micmac Indians-humored and nursed him for an hour and a quarter, never daring to trust the line, but allowing the fish to have his own way till he was and dollars. For particulars apply & fish to have his own way till he was GODWIN'S INSURANCE EMPORIUM, practically dead and offered no resistance to the gaff. BABY'S OWN TABLETS.

Are Nature's Cure for Children's Ailments.

Medicines containing opiates should never be given to children-little or big. When you use Baby's Own Tablets for your little ones you have a positive guarantee that they contain neither opiate nor harmful drug. They are good for all children from the smallest, weakest infant to the well grown child. These quickly relieve and positively cure all stomach and bowel troubles. fevers, troubles while teething, etc. They always do good, and can never do the slightest harm. For small infants crush the Tablets to powder. Mrs. P. J. Latham, Chat ham, Ont., says: "My baby took very sick. His tongue was coated, his breath offensive and he could not retain food on his stomach. He had diarrhoea for four or five Club, a mile below the Metapedia and grew very thin and gave him medicine but nothing helped him until we gave him Baby's Own Tablets. After giving him the first dose he began to improve and three days he was quite well. He be gan to gain flesh and is now a fat healthy boy. I am more than pleased with the Tablets as I think they say ed my baby's life. Baby's Own Tablets are sold by

all druggists or will be sent by mail \$10 a day. Mr. Alex. Mowat, Camppost paid at 25 cents a box by writ ing direct to The Dr. Williams Medicine Co., Frockville, Ont., or Schen-

A Kissing Problem. Brockville Recorder.

In St. Louis a young lady attempt ed to kiss a young gentleman and he actually hit her with his fist. He was fined \$20 and Judge Snider said : "A woman has a right to kiss a man a all times. This is a privilege we own to the opposite sex."

Hold up a bit. In this particular volved are of great importance, but it case no doubt the lady was kissable is doubtful if a newspaper discussion and the judge's remarks would apply of their merits would, at this stage, but on behalf of mankind in general serve any good purpose.
