TELEGRAMS FROM THE FOUR QUARTERS OF EARTH.

Matters That Interest Everybody

The peach and apple crops in Ontario county, N. Y., are going to weather owing to the want of help to gather them.

Section foremen of the Great Northern railroad have asked for an increase of wages, from \$13 to \$15 a month.

Several buildings in London, Ont., were damaged or destroyed by a fire started in Trebeck's livery on Richmond Street.

Dr. J. H. Tennant, of London, Ont., is fighting an outbreak of hog cholera at Tilbury East.

Owing to the demand for Bourbon whiskies of several years' manufacture, at Louisville, Ky., the price has advanced twenty per cent.

President Roosevelt is touring through Indiana, and at all points he was accorded rousing receptions.

All the public schools at Niagara Falls, N.Y., will use wood this winter and if the supply fails they will close the schools during the coming winter.

Stephen Paret, surgeon to the West London hospital, builds up broken noses by bolstering them up with wax.

The Russian minister of railroads is said to be considering a project for reducing rates to permit the export of Siberian lumber to the United States by way of Vladivostok.

A despatch from Alexandria says that the cholera statistics for Egypt on Thursday were: Cairo, 15 deaths; Alexandria, 24 deaths; other districts, 528 fresh cases and 781 deaths.

The young woman who committed suicide in a Montreal hotel last week travelled from Toronto to Montreal on Conductor Barrett's train.

The annual convention of the Indiana State Federation of Labor began a three-day session at Evansville, to-day.

His majesty's torpedo boat destroyer Vexel has just proved herself to be a fast vessel in the world, for she has made a speed of 32 1/2 knots, which is almost equivalent to forty miles an hour.

The body of a man named Napoleon Corbin was found this morning cut in two by the cars on the C.P.R. track east of St. Maurice river bridge.

The old parliament buildings on Front street, Toronto, have been sold to the Paving & Contracting company, for a sum in the neighborhood of \$5,000.

The excessive heat in the interior of the mountain tunnel near Toronto is doubtless the worst known. The men have to be sprinkled with cold water constantly and fresh air is pumped in, yet many succumb.

At Stouris, Man., Archie Stewart McDonald undertook to pull a shot gun from the water tank of a threshing engine, not knowing that the weapon was loaded when in some way the gun was discharged, the contents lodging in McDonald's side. He died within twenty minutes.

A woman named Frances Jackson, aged about forty-five, who started from Montreal to walk to Halifax, by the C.P.R., was run over and killed by a Grand Trunk train near St. Hyacinthe.

The unfortunate woman said she had friends in Nova Scotia. She had been married at Montreal as a vagrant and liberated on condition she would leave town.

Newton Conlin, aged twenty-two, proprietor of Osbornville cheese factory, Government, N.Y., on his front lawn got over an attempt to commit suicide.

William Hooper Young, the alleged murderer of Mrs. Pulitzer, arrived in New York from Derby, Conn., this morning in the custody of detectives.

THE SUIT ARGUED.

The City's Case Before the Court of Appeal.

Toronto, Sept. 22.—The court of appeal has been engaged for the better part of two days upon the appeal of the Kingston Light, Heat and Power company in connection with the arbitration by which the city took over the plant.

WEATHER PROBABILITIES.

Toronto, Ont., (10 a.m.), Sept. 23.—Light to moderate, variable winds, a few scattered showers, but mostly fair and warm.
