WALDRON

SHARPE'S TRIAL.

MANSLAUGHTER CASE BE-FORE ASSIZE COURT.

Causing the Death of Beatrice | end the coal strike. Holland in Frontenac School Last April.

the high court, the hearing of the Sharpe manslaughter case was begun, tlement of the strike. the grano jury having returned a true bill. The particulars of the fragedy will be recalled as follows

On afternoon of April 28th last, Eric Cheese sales: Cowansville, Que., 104c. to class of Frontenac public school, in to visit Oshawa on October 2nd. shot the young girl through the fore- rest. school, first biding the revolver, which ation of the programme for the comwas found the next day by police de- ing session. to the police. The coroner's jury tions in Vienna to borrow a portion homicide." The county crown attorney over-ruled this verdict and had young vitation to attend the Industrial celeslaughter. After being confined to Ont., on October 10th. jail for several weeks, young Sharpe

> Mr. McIntyre, for the defence, aims to prove that the prisoner had no intention of shooting or killing Beatrice Holland, and that the revolver went off accidentally, the boy thinking there were no cartridges in it.

was released on \$5,000 bail.

The case began at half-past one o'clock. To the indictment of man slaughter, the prisoner pleaded guilty." In attendance at court the boy's father and mother, Canon Macmorine, Rev. A. W. Cooke, and Rev. Dr. Antliff.

This jury was empanelled: John McLean, Pittsburgh; J. J. C. Pelletier, D. B. Murray, Henry Wood, W. H. Anglin, J. W. Cldfin, George Wilder, W. S. Raymond, Alexander Mc-Cartney, Kingston; Charles Friendship, Kingston township; John Miller, Barrie; William Botting, Portland It-took over half an hour to em-

explaining the nature of the charge, and pointing out that the intention of malice or motive had nothing whatever to do with the case." The manslaughter charge involved only the one question-did the lad point the loaded revolver at the young girl without ascertaining whether it was loaded; did it go off, and did it result in the girl's death? The jury, he Que., shot herself on Tuesday, using said, should not be afraid to bring in her husband's revolver. She died from a plain verdict, leaving the rest to the clemency of the crown. The boy ill-health for some time was not charged with murder.

George Creeggan was the first wit- hereafter not be required to carry a ness. He described what he saw in the Frontenac school cloakroom on secured by government bonds. This the fatal afternoon.
