THE STRIKE OVER.

Arbitration Will Now Be Resorted to.

Wilkesbarre, Pa., Oct. 21.—At this
morning's session of the Miners' con-
vention, a resolution to call off the
strike and leave all questions to the
minister's commission was adopted.
Mining will be resumed on Thursday.

When the convention met yesterday
there were 662 delegates present. They
were empowered by their local unions
to cast 867 votes for or against Presi-
dent Roosevelt's proposition of ar-
bitration. The great majority of the
delegates were uninstructed, the few
who were being engineers, firemen and
pumpmen, who feared that the 5,000
strikers of those classes may not get
back their old places now held by the
non-union men.

This question of the engineers, fire-
men and pumpmen proved the only
stumbling block in the way of almost
immediate adoption of the president's
plan, which carried with it the de-
claring off of the strike and a general
resumption of work through the 175-mile
strip of the hard coal mining re-
gion.

In convention the engineers were
allowed to give full expression to their
feelings.

DEWET'S BOOK.

About the Demands of the
Doubkhobors.

He Sold Out Before He Left
Africa.

WINNIPEG, Oct. 21.—A despatch from
Yorkton received last night, says there
is no truth in the story that the
Doubkhobors are marching on Yorkton
to demand food. They have a
sufficiency for the next three years.
Fanatic Doubkhobors, however, have
started a pilgrimage to other villages
to make converts and when through
with these say they will come to York-
ton, Winnipeg and off to the States.

Under Sad Circumstances.

Hartney, Man., Oct. 21.—Joseph
Campbell, accidentally shot two days
ago by a companion, while out hunting,
died yesterday afternoon from
loss of blood. Campbell's mother lives
at Vernon, Ont. Campbell intended
leaving for home to-day having come
up here on a farmer's excursion.

Denies the Story.

Winnipeg, Man., Oct. 21.—Senator Kirchofer,
writes to the press denying the statements
made by territorial par-
tiers that the governor-general had
desecrated the Sabbath by shooting
game during his recent western trip.

Peace Is Assured.

New York, Oct. 21.—Senior Esteves,
consul-general of Venezuela, here, has
received the following cable from the
Venezuelan minister of foreign affairs at
Caracas: "Great battle in state of
Aragua. Complete triumph for the army
commanded by Gen. Castro. Revolu-
tionary forces, which have been
hardly able to make himself heard in
a whisper, his vocal chords apparently
being paralyzed. But Friday morning,
when he reported for work, he
greeted his chief in a clear, strong,
youthful voice." Merriman solemnly
and seriously asserted that during the
battle he found his voice again.

Eclipse Restored Voice.

Washington, Oct. 21.—To some pe-
culiar and inexplicable human phenome-
non accompanying the total eclipse of
the moon on Thursday night, toward

Merriman, the aged negro messenger
of the treasury department pressroom,
attributes the recovery of his voice.

For months past Merriman has been

hardly able to make himself heard in

a whisper, his vocal chords appar-

tently being paralyzed. But Friday morn-

ing, when he reported for work, he
greeted his chief in a clear, strong,

youthful voice. Merriman solemnly
and seriously asserted that during the
eclipse he found his voice again.

A Chinaman Killed.

New Westminster, B.C., Oct. 21.—One
Chinaman was killed and another
seriously injured yesterday near Coal Creek.

dead.

Four British sailors have been or-
dered to proceed from Shanghai up
the Yangtze River to Hankow. This
action is taken in consequence of the
failure of the Chinese to punish the
murders of British missionaries.

PASSION SEEN

In The British House Of Commons.

A HOT DEBATE.

IRISH GRIEVANCES STILL TO THE FORE.

Only Sixteen of the Fifty Questions
on the Paper Were Considered—William O'Brien Said to Have Made a Rhetorical Address—Will Bring Down Agreements.

London, Oct. 21.—The autumn ses-
sion of parliament, though held for

English purposes, seems destined to

have the Irish grievances as its dom-
inant characteristic. Before the education

bill could be considered in the

House of Commons, yesterday, the

nationalists angrily questioned Mr.

Wyndham about the imprisonment of

Irish members of parliament.

The chief secretary for Ireland was coldly

urban, but his questioners were de-
termined to find offence in every word
