## SPEAKS

HE EXPLAINS RESIGNATION AND DEFENDS COURSE

He Offered His Resignation on Sunday and Submitted it Later in Writing-He Will Go

Back to Journalism. Montreal, Oct. 22.-Hon. Mr. Tarte is here, and in an interview on the for two years to capture British trade, is re- troduced with this question :

"You have of course read the pre-Twelve million four hundred and twenty- mier's letter, as given to the press,

> "But would you have any objection to stating what the misuncerstanding

"Well, no. It is this. The prime For the Evil He Had Wrought in moment. He answered me that he was not in the habit of coming to hasty conclusions. I have the great-The wife of Robert Hunter, Chicago. est respect for Sir Wilfrid Laurier, He I had said the day before, namely, of A. E. Cameron, Brockville, is dead ate disposal. I left for Toronto at II Toronto, I made up my mind it was

details have great importance. Dr. H. S. Manhard. Smith's Falls, Mr. Tarte says a year ago in Mon-He spoke similarly in Toronto, in pariament. "I feel, therefore," said the ex-minister, "that Sir Wilfrid has no justification from the record in stating that I started this discussion on

> the tariff in his absence.' "How, then," Mr. Tarte was asked, Sir Wilfrid's absence?"

words to that effect. Then, vou will remember, came the Manufacturers' banquet at Halifax. I spoke at that banquet on the same lines as I took Montreal, nearly a year before; at the Toronto banquet, and at other places. Then the Halifax Chronicle went for me; next Mr. Sifton gave an interview in which he stated that the North-West would raise a political rebellion, if the tariff were raised; and

situation was created.' To the reporter's enquiry, "What do you intend to do for the future?" tion; "I'll try to make a decent living out of newspaper work."

"Do you admit that you have made a constitutional mistake?"

can't admit that I have said in the terv. ROMAN STRIPED SILK absence of the prime minister what I have not said repeatedly in his presence. But I fully recognize that, as he says, the government had not come to a definite conclusion as to their future policy. If, under the circumstances, I have gone beyond the limit allowed to a minister; if, in other words submit cheerfully. And if I have been trade. unwittingly guilty of a little break on this point, why I shall have to crave the indulgence of the country for it. That is all. The questions at issue are too important anyhow to lose much time discussing such fine points."

"And what do you conclude is the drift of public opinion upon these

'Well," Mr. Tarte answered, "the opinions of Hon. G. W. Ross have cases the goods have been been expressed upon the necessity for a more protective tariff; then you have the letter of Senator McMullen supporting my views, and the interview of Hugh Guthrie, M.P., all liberals. not only public opinion in Ontario, but throughout Canada. In my humble ple of the dominion are anxious to have a strong Canadian tariff, a tariff that will give protection to the farmers, to the manufacturers, to the
