Queen Quality FIT The very first requisite of a shoe is that it shall fit the foot with absolute accuracy—closely but not tightly—with no waste space, yet with no pressure "Queen Quality" is the one shoe for women which is made so that it fits the foot just as a Paris-made glove fits the hand. Have you ever noticed that but few other shoes talk much about fit? They talk about "style" and "beauty" and "form" and other things that mean nothing. But they say little about "fit" "Queen Quality" fits because it is an entirely different construction, which, by the way, adds many dollars to the weekly pay roll. But the shoes fit perfectly! J. H. Sutherland & Bro., Have Sole Right of Sale.
