### About Drainage

You know the deadly consequences if a house is badly drained. Only a madman or a criminal would himself incur the risk, or subject others to it, for one unnecessary minute.

But do you realize the danger of a badly drained body? Are you aware that it poisons the blood, the very fountain of life?

Are Expected Home.

Robert Crofton and Chief Keeper Hughes, of the penitentiary, Howard Folger and Mr. Mills were expected home to-day from Quebec province, whether they went on a moose-hunting expedition.
