LAKE BACK? Unhealthy Kidneys!

Bright's disease, diabetes, rheumatism, gout, and other ailments, are all caused by a weak, unhealthy condition of the kidneys. You have many of these symptoms, or if you feel badly, begin taking Warner's Safe-Care, the world's greatest kidney cure, which has a record of over 30 years of successful cures of all these diseases; a trial will convince you that it is the only cure.

If In Doubt Make This Test.

Put some morning urine in a glass or bottle and let it stand for twenty-four hours; if there is a reddish sediment in the bottom of the glass or if the urine is cloudy, or if you see particles or germs floating about in it, your kidneys are diseased and you should lose no time in getting a bottle of Warner's Safe-Care, as it is dangerous to neglect your kidneys.

Alderman Stubbs Gratefully Tells How This Wonderful Medicine Cured Him of Bright's Disease.

144 Roscoe Boulevard, Chicago, Oct. 19, 1908. Gentlemen: About two years ago I had one of the greatest pains in my back, and I felt as if I were being crushed. The doctors called it Bright's disease. I would give all I had to be cured, but nothing seemed to do me much good until a neighbor recommended that I try Warner's Safe-Care. It was with but little hope that I tried it, but within two weeks my health was improved and in four months I was completely cured. I hardly dared to believe that such good fortune was mine, but I HAVE NOT LOST A NEURALGIC PAIN SINCE OR SINCE. Words seem to be poor to express my gratitude. Yours truly, H. M. STUBBS (Alderman, 27th Ward).

Trial Bottle Free.

To convince every sufferer from diseases of the kidneys, liver, bladder, and blood that Warner's Safe-Care will cure them, a trial bottle will be sent absolutely free, postpaid. Also a valuable medical booklet, which tells all about the diseases of the kidneys, liver and bladder with a prescription for each disease, and many of the thousands of testimonials received from grateful patients who have been cured by Warner's Safe-Care. All you have to do is write Warner's Safe-Care Company, Deseronto, N. S., and mention this liberal offer in this paper. The genuineness of this offer is fully guaranteed by the publisher.

TOLD IN THE TWILIGHT.

There are many points of divergence between the average man and the average woman, but in nothing is the difference more marked than in their treatment of a secret. The dissimilarity may be briefly summarized. A man keeps most sacred the secrets of others, and unconsciously gives away his own—generally to the wrong woman. A woman holds her own secret with the least possible effort, but the most strenuous resolves to be close-mouthed fail, when she has in her possession a secret of some one else's. You'll remember that I'm speaking of the average man and woman. His the average man that gives himself away to the wrong woman. It takes the right woman, however, to get at the secret of the man who is above the average. To her in spite of his masculine, and therefore obvious methods of concealment, he's like an open book. It's only when he carries the secret of another that he himself stays to the wrong woman. It takes the right woman, however, to get at the secret of the man who is above the average. To her in spite of his masculine, and therefore obvious methods of concealment, he's like an open book. It's only when he carries the secret of another that he himself stays to the wrong woman.

meeting yesterday.

His lordship spoke encouragingly, and reminded the branch representatives, both old and new, of the very important part they play in the development of missionary life and enthusiasm in the branch they represent.

The decorations at Mrs. Bates' pleasant tea on Saturday, came in for much admiring comment.

The extremely dainty color scheme was green and white, a slender vase of chrysanthemums being in a centre of white tulle over white satin, in the folds of which were sprays of smilax. Amongst those who assisted were Mrs. Frank Dobbs, Miss Flaws and Miss Gertrude Whitehead.

Major Straubenzee was in Toronto on Saturday.

Miss Amy Lindsay returned to Montreal last week from a visit at Miss Colored Skinner has been up in Toronto for a few days.

Mrs. Colin McCuaig, of Montreal, is with Mrs. Shelton Fuller at Woodstock.

Mrs. Prince and Miss Ross have taken a house on Harbord Street, Toronto for the winter.

The Hon. S. C. Biggs, K.C., was the guest of Mr. Thomas Mills, during his stay in town.

Dr. Harold Jones, of Brockville, has been appointed house surgeon in the Verdun hospital, Montreal.

The engagement is announced of Miss Margaret Ainslie Robertson, daughter of the late Mr. John Robertson, of Montreal, to Mr. Frederick C. Holmes, C.E., superintendent of the Guantanamo railway, Cuba. Miss Robertson, who has been for some time past in charge of the Verdun hospital, is at present on a visit to her mother at St. Lambert.

A new idea is to sprinkle powdered cinnamon over a cup of cocoa or chocolate to improve the flavor.

I see by the papers that it is the very latest and most fashionable fad to be so light, to give the half-revelation which is more puzzling far than the deepest silence, and at the same time to keep her secret like the sphinx, so to nature goes the glory. On the other hand, she who tells all she knows of other people's affairs isn't altogether deserving of commendation—her mother all probably never taught her the hushness of the crime. A girl who is thrown much with boys, or a woman whose chief companions are men, are far more likely to keep inviolate secrets which have been entrusted to them, or of which they happen to have become possessed than women who are much in the society of their own sex.

That this is so, has been proved in cases where women who received at birth the gift of honorable silence, and who made good use of their treasure so long as their pursuits and circumstances threw them chiefly with boys and men, have, when thrown constantly with their own sex, lost it and become untrustworthy. (This last seems a harsh word, but I know of no other that will express my meaning.)

Mrs. Easton Burns gave a very jolly children's party on Saturday afternoon, for little Miss Freda's friends.

The Reverend Dr. Shaw was the guest of his sister, Mrs. Skinner, "Maitland House," during his stay in town.

A new idea is a left-handed ping-pong party. At one given lately, the champion of the town got the booby prize, and the tyro at the game, was on a level with the best.

Mrs. Robert Campbell gave a very young people's party, on Saturday, which all the little people present said was very jolly.

Dr. and Mrs. Anglin entertained the Reverend Dr. Chown, during his short stay in Kingston.

Mrs. Mowat and the Misses Mowat, expect to sail from England for Canada, some time next month.

The diocesan board of the W.A. was honored by a visit from the Lord Bishop of Ontario at its monthly meeting.

REMARKABLE SUCCESS

Of A New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changing climate, but because modern investigation has clearly proven that many diseases known by other names, are really catarrh. Formerly the name catarrh was applied exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, whenever there is a mucous membrane there is a feeding ground for catarrh.

The usual remedies, inhalants, sprays, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and lymph, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh.

It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets. Large pleasant tasting lozenges, composed principally of antiseptic ingredients, blood-purifier, red gum and a milder cathartic, which, when taken in speaking of the new catarrh cure says, "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkable satisfactory results. They clear the head and throat more effectually and lastingly than any douches or inhalant that I have ever seen, and although they are what is called a patent medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver or bladder, will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient and your druggist will tell you they are absolutely free from any injurious drug.

NAPANEE NEWS

AN AGED CITIZEN HAS PASSED AWAY.

Dennis Neville Was Aged 83 Years—Constable Huff Has A Narrow Escape—The Movements of People.

Napanee, Nov. 11.—On Friday morning Dennis Neville, an aged citizen, passed away. He deceased was aged eighty-three years. An aged wife and several sons and daughters are left to mourn a loving parent. The funeral took place on Sunday afternoon at 2:30 o'clock, at the Roman Catholic cemetery, and was largely attended by citizens.

W. S. Huff, county constable, had a narrow escape from a premature death one day recently. He went to Bath in company with Mr. Howard, to arrest Dr. Alexander Kennedy, of that village, who had been abusing his father. The man had been drinking heavily of late, and was in a state bordering on delirium tremens, and when the constables endeavored to secure their man he resisted, and with a hammer in one hand and club in the other, started out to lay low the constables. He succeeded in getting a couple of whacks at Constable Huff before being secured. Kennedy was brought to Napanee, and committed to jail. His case will come up before Magistrate Daly to-day, when he will be tried for committing assault upon his father. Kennedy is a powerfully built man, and had Constable Huff not been wise enough to take along assistance, he might not have been alive to-day to tell the tale.

Capt. Holmes is on his way home from China, where he has spent the last year and a half. The weather, which has been so nice for the past few weeks, has become fall-like and much colder.

Charleston Lake Locals.

Charleston, Nov. 10.—S. Kelsey has moved to Cedar Park for the winter. R. Foster has men engaged building a new house barn. The Banta family have left their cottage, and gone to their home in New York. S. Kelsey is engaged building a new house. C. Covey is giving his horse a coat of paint. Miss Lena Burns, ill for a few days, is better. Mrs. Patrick Flood spent part of last week with her daughter, Mrs. T. Foster. It is rumored that Oak Leaf cheese factory will change hands another season. E. Webster is preparing to move into the residence he purchased from E. Duffield. Visitors: Mr. and Mrs. J. Ronan, Union Valley; Mr. and Mrs. E. Danby, Elgin; Miss E. Slack, Lyndhurst; Master G. Danby, Lyndhurst; Mr. and Mrs. Z. Flood, Trevelyan.

Full Importation Of 1902.

Prevost, of the New York clothing store, Brock Street, has received all his fall importations for order work in his tailoring department. His ready-made department is well assorted and a large assortment to choose from. For low price and durability he defies competition.

Crossed The Channel.

London, Nov. 11.—John Mackenzie Bacon, the aeronaut, scientist and lecturer, and Stanley Spencer, the balloonist, who recently went up in his airship in London and made a trip of some thirty miles, made an ascension from Douglas, Isle of Man, yesterday, with the object of crossing the channel. The airship was followed by the British gunboat Renard. It landed in a wild den in Dumfrireshire at nine o'clock last night.

CURED OF PILES SEVEN YEARS AGO.

A Chronic Case of Twenty Years' Standing Cured Permanently by Dr. Chase's Ointment.

To be relieved of the dreadful suffering caused by piles is a wonderful thing, but to be permanently cured is even better. Dr. Chase's Ointment brings relief from the very first application, and as is proven by hundreds such letters as the following, it cures thoroughly and permanently.

Alex. McLaughlin, for thirty years a resident of Bowmanville, Ont., writes: "For twenty long years I suffered from itching piles, and only persons who have been troubled with that annoying disease can imagine what I endured during that time. About seven years ago I asked a druggist if he had anything to cure me. He said that Dr. Chase's Ointment was most favorably spoken of, and on his recommendation I took a box, and after three applications I felt better, and by the time I had used one box I was on a fair way to recovery. I continued the treatment until thoroughly cured, and I have not suffered any since. I am firmly convinced that the ointment made a perfect cure."

"I consider Dr. Chase's Ointment an invaluable treatment for piles. In my case I think the cure was remarkable when you consider that I am getting on in years, and had been so long a sufferer from this disease."

John Tuttle, expressman, 107 Stuart Street, Kingston, Ont., states, "Like most men who do much driving, sitting a great deal, and often exposed to dampness, I have been a great sufferer from piles. As a matter of fact, I had piles for a number of years, and tried nearly everything I could hear of in a vain effort to get cured, but only succeeded when I used Dr. Chase's Ointment. The first application of this grand preparation brought me relief from the dreadful itching, burning sensations, and less than two boxes made a perfect and permanent cure. I am grateful for the freedom from suffering, and desire others to benefit by my experience with Dr. Chase's Ointment."

Dr. Chase's Ointment, 60c. a box, at all dealers or Edmondson, Bates & Co., Toronto.
