porticelli SPOOL SILK Too Strong 'o Break SPOOL SILK. For dressmaking and family sewing, Corticelli Silk is the best silk made. For hand or machine use it has no equal. Corticelli runs smoothly in the needle! it is always even in size, and always full length and full strength. Ask your dealer for Corticelli. WASH SILKS are put up in patent holders, which prevents waste by tangles or soiling; keeps each shade separate and automatically measures a correct needleful. It is recommended as the only proper way to put up file and floss silk, and used by art societies everywhere. SKIRT PROTECTOR is of firm and even texture. When soiled a sponge or brush makes it clean again, and no damage done. It has peculiar wearing qualities, and perfectly straight selvage. Corticelli Skirt Protector is a great favorite with careful and fashionable dressers.
