###### Tupper The Prophet.

Sir Charles Tupper, in the course of a speech in Winnipeg, at the banquet given to Mr. Borden, the conservative leader, "predicted a sweeping victory for the conservative party at the next general election." Sir Charles old soul, isn't this just like Sir Charles of old? He was always great on predicting things—things that never happened, of course, but what of that? That did not bother Sir Charles a particle. He kept right on predicting. But he it not an inspiring thing to see a man, who is going on in his eighty-second year, able to keep up steam in the way Sir Charles does and who can feel in his bones to continue to predict, sweeping victories when nobody else sees a single sign of victory—near or remote? Grand concert in aid of Roman Catholic children in town hall, Oshawa, Wednesday, Dec. 3rd. Owen Smith and others. Auction sale 166 head cattle, Saturday, Nov. 22nd, at fair grounds, Kingston, Wm.
