SHE ESCAPED THE KNIFE.

Ten Months of Peace After Dreadful Suffering.

Operations are becoming a fad; every young man, as soon as he is graduated from a medical college, considers himself cap....le of undertaking the most serious and complicated surgical work, and hundreds of lives are sacrificed annually to this mad frenzy of incompetent men; to rush inte work which should only be undertaken as a last resort, and then only by the most experienced and careful surgeons. It is a pleasure, in view of these facts, to read the following letter woman who has been saved from one of these dangerous operations. "I know I should have informed you long ago regarding my case of piles and the good done me, and I believe I am cured. Last December sent for your book. I have never been bothered since then, and before I had suffered for the last eleven years, and at the time I wrote I had given birth to a child, and they came down with the delivery of the child by the handful. I could not get them back and I suffered everything; and the doctor said nothing but an operation would ever relieve me; but I read of your remedy in our daily newspaper and I told my husband to get me a box and I would give it a trial before consent-

from the operating table. that my husband and myself hear of, we recommend your wonderful medicine. I just used one \$1.00 box of Pyramid Ointment and two boxes of Pyramid Pills, and I was, I hope, com-December, since I had them and that makes it ten months and past now Thanking you again and wishing you abundant success, I remain, Mrs. S. Hodgson, 105 W 11th St., Des Moines,

CLOSE

KINGSTON GAVE 97 MAJOR-ITY AGAINST.

For 1483, Against 1580-At The Prohibition Rooms-The Liquor Men Disappointed -Stuffed Ballot Boxes.

On Thursday the Kingston elector- election of May last. However, it is ate, by a majority of ninety-seven fully as large as was expected. votes, decided against prohibition. To the question of the Ontario govern- campaign secretary, considers that the ment. Are you in favor of bringing prohibitionists, really won the battle into effect the Liquor Act of 1902? in Kingston. He points out that the there were 1,483 voters who answered ballot box stuffing and personations Yes, and 1,580 who said No.

The contest was warmly waged, and than they really were entitled to. the interest became keener after the prohibitionists had effected the arrest that a peculiar state of things exist of two alleged personators and were as far as the ballot box in No. 5 subhot on the trail of several others. division, St. Lawrence ward, is con-Never were the two parties so well erned. In that division eighty-five organized, each realizing that the men voted, yet when the ballot box fight was to the death. But the li- was opened it was found to contain quor men were far more confident, ninety-five ballots; all bearing what and, before the polls closed, declared was supposed to be the deputy-rethat they would have 400 majority. turning officer's signature. One ballot Accordingly, the result was somewhat disappointing to them., The both "yes" and "no"; seventy-three prohibitionists, however, were jubilant, as they had not anticipated getting so large a vote as that recorded that there were twelve stuffed ballots on their side.

your wonderful medicine, I was saved Compared with the vote in 1898 the prohibitionists gained over 300, while Every person suffering from piles the anti-prohibitionists just held their own. Of course it is to be remembered that the antis did not require to vote. The result depended entirely upon how many votes were cast in favor of the act, and not upon a mapletely cured. If they over show the jority. In order to contribute her attraction draws a crowded house, slightest return I will certainly get | share of the provincial vote, Kings | and that a first-class company is obsome more of medicine, but I ton required to secure 1,980, but this liged to play to almost vacant seats. hardly think I will need any more for number was not reached by much less That is another illustration of the it will be a year the 8th day of than 500. However, its realization iron of fate, and it occurred again last was never expected.

2,710, while the present one totalled tion put on by a strong company 3,063, an increase of 353. The anti- drew a very small house, whereas it prohibition majority of 417 in 1898 deserved the best support the city was pulled down to below the 100 could give. "The Queen of the High

large crowd assembled in front of the the old-fashioned overland stage coach Whig office to watch the result of the day's voting bulletined. A constant wild, free, careless life of the great round of cheering was maintained as the returns were one by one posted. At first the tide seemed to be strongly in favor of the liquor party, the down town polls rolling up a majority of 200 when half the returns were received. Then when the up-town results came to hand, this majority gradually decreased, dropping at the lowest to sixty-two, and then advancing to ninety-seven, the final result. The prohibitionists went home

their evening meal quite happy over wear a life time. A more handsome their campaign work and the result of and pleasure-giving gift could nowhere the day's voting. The figures by subdivisions and wards are:

McKel vey; chaplain, Canon Grout; treasurer, W. H. Macnee; secretary, G. W. H. Comer; tyler, E. Ball; trustee, Spence; auditors, J. M. Mowat, J. D.

Are you buying your Christmas goods now? If so you are wise.

DISCOVERY OF COFFEE.

Made by an Arabian Shepherd. Coffee was first discovered in the sixth century by an Arabian shepherd who having observed the goats of his flock skip about and display other signs of intoxication after eating the coffee berry, concluded to try its ef feets on himself, and thus discovered its exhibarating property.

This discovery proved the poor shepherd's undoing, for he indiscriminate ly used large quantities, green, for its exhilarating effect and soon died, poisoned by its use.

In the sixteenth century, it was in troduced into France, and was used so strong and excessively, particularly by the Parisians that it was found to injure alike the complexion and diges-Scores of citizens gathered outside tion.
