ROSIN'ON THE CLOTHES AND FLOORS

Supposing one were to rosin the clothes and floors weekly, what would be the result? The clothes would become hard and uncomfortable, and catch all the passing dirt readily, and the floors would be so sticky that What Is Going On In the Business they would be the more susceptible to dirt and disease. Yet many women do rosin their clothes and floors weekly without knowing it. Rosin is all very well in its place, but costing, as it does, about one-third the price of pure oils, it is made earnings, from Nov. 21st to Nov. 30th; week ending Nov. 20th, 1902. \$1,152.soap, and that is one reason 000. increase, \$104,000. lump of common soap for the same Brazilian coffee in the New York market of distribution as the cold weather apprice as a pure tablet of Sunlight No. 7, spot invoices, was marked at 5 Soap.
