"I always had some prejudice against using patent medicines, but your Lung Tonic has removed this misgiving. Suffering from a severe cold and on the eve of a public engagement, being in a dilemma by fearing the loss of my voice, I was strongly advised by a friend to try your Lung Tonic. To my most agreeable surprise, after the third dose I was able to officiate with perfect ease. I resolved to add your valuable medicine to my household remedies and certainly shall never be without it." Rev. F. C. S. Kroenig, Vicar of St. Barnabas, Hul.
