> Celestials Are Aggrieved And Know Not What Yapsili, the Now One-Eyed Deity, Will Do -The Police Have Done Nothing.

Montreal, Dec. 11.-The eye of their star idol has been stolen, and M. " teal Chinamen are at present only waiting to see what form the wrath of this particular Joss will take. Several young men-very young men - are meanwhile dividing their time between nursing bruises and injuries and glanting over the very newest and latest rate qualities which command only a thing in the way of souvenirs. There secondary position in the market when is only one other party interested in they come to be sold, though they the case-the police-and they have not yet done anything, although the A farmer should never raise any Chinese settlement is living in hope. more chickens than he can feed well. The incident took place Saturday If the chickens are seven or eight night, when some half a dozen wellmonths old before they are marketed known young Montrealers wandered cents per pound less than birds with- for which this part of the city is so

> They found it. Up two flights of stairs and across from a row of laundries on a corner where the mysterious acoma of stale opium smoke mingles with the ordinary Lagauchetiere street smell, there is a Chinese restaurant, where slumming parties are allowed to cat strange viands-if their stoma hs permit-which are guaranteed to be genuinely oriental. There is no record of a party ever having repeated the experience, but this is a detail. However, back of the restaurant is a temple, and in the temple is the lise that, who is currently believed to have supreme and exclusive control of the fate of the local Chinatown.

In addition to these powers. Ypsili also has two remarkably fetching eyes of colored porcelain and silver, cunningly combined. To be more accurate, it should be said that Ypsili had two such eyes up to Saturday night. He now has but one. His shrine has been violated, his sacred red cards torn and scattered, and sacrilege unspeakable has been committed. According to the story gleaned from the broken English of the attendants. a band of very young foreign devils came to the restaurant Saturday night and spent very lavishly and foolishly, a large amount of good

Tempted by this liberality, an attendant offered to show them the Joss-for a consideration. It seems cows are apt to get into the notion have seen him. I was a little girl they saw the Joss, viewed it from every standpoint as a work of art and as a graven image and finally by a concerted movement overpowered the guardian of the altar, seized the votive offerings on the shrine as souvenirs, plucked one eye out of the i lol's head and disappeared.

If your laundry is a little late, this week, it will probably be because John has been foregathering with his fe low celestials and burning many vards of good red paper and many rolls of incense in the hope of averting the wrath of Ypsili, now and forever, the One-Eved.

Battersea Briefs.

Battersea, Dec. 10.-The Frontenac Farmers' Institute meeting, held here on the 1st inst., was well attended. W. H. Jameson presided. The speakers were: Dr. Reid, V.S., of Georgetown, and Mr. Somerville, of Brockville. The Tessa lum recital, under the management of Mr. Shurtliff, of Glenburnie, held here on the 4th inst., was not as well patronized as it deserved. The prohibition contest on the 4th inst., passed off very quietly. Among those who come from outside points to exercise their franchise here were: R. C. Davidson, of California; C. Knapp, John periment nes, homespuns, etc., and "Coronation son, of California; C. Knapp, John with other be started with so little trouble Hughes, S.
