THE PETITION IN THE LEN-NOX ELECTION.

There Will be an Appeal-The Judges Disagree on a Personal Charge Against the Respond-

Justices Osler and Maclennan de- Wisken charge, though he believed the livered judgment on Friday morning, charge against Wilson established, but dismissing the petition against considered proof of his agency incom-

hearing the cross-petition against S. action in question, contradicting the ces and revolutionists.

tioner," he said, "urged that no cre- passed between them after the meeting pied by an Anglo-German force. dit should be given to the respond- at the hall, and also to the extraorent's denial, first, because on his dinary account he gave of the sum of examination for discovery he was un- \$500 received by him from the conserable to remember , this transaction; vative association, and the two sums factory account he gave of the dispo- Alex. Carscallen and Uriah Wilson, resition of the sum of \$200, which he spectively." had received during the election from spondent's attention was not called known to them that the ordinary terest of universal peace. to it as forming the subject of a charge for such a team was \$3. It charge of bribery, as it ought to must have struck the mind of any inhave been. Wisken's name was not telligent person that such a payment mentioned, and the whole stress of the was extra and would arouse enquiry. examination was directed to the ques- Mr. Wilson, who made the payment, tion of what payments had been made came very close to a breach of the by the respondent on account of his law, and a very little more would bargo which was placed on the harpersonal expenses at the various have required us to hold that there places, Bath among the rest, which was a breach of the law committed. he had visited during his campaign. It was attempted to show by select ing some of the answers that the respondent had absolutely denied making any payment at all for the hall, but all such answers must be read in connection with others, in which he says that if the caretaker claimed anything for the use of the hall, he probably paid him, and would not contradict him if he said so.

"As to the \$200, I could wish the respondent to have been more candid and outspoken than he was about the footing on which he received it. No doubt it was a contribution towards his election expenses, though nothing may have been actually expressed or said about it, and he must have so understood it. I have no reason to believe that it was actually expended by him on his election, and how he may deal with it hereafter is a matter between himself and his friends, ritory. A season ticket will be the best 'Xmas | which I do not, some suspicion of the completely losing his eyesight. truthfulness of the account which the respondent gave of what in his belief was the truth of the transaction, I should hesitate a long time before finding the charge of bribery by giv ing the extra fifty cents proved. The payment of the \$1 was of course per will shortly advertise for bids in Amfectly legitimate, and the payment of erica. England, Germany and France the trifling additional sum ought both as to fact and intent, to be proved, if not to a demonstration. vet at the very least by evidence producing moral certainty in the minds of the tribunal. For myself, that is not the conclusion to which I am led. "As regards, too, the probability of the respondent having attempted to Watches and Jewelery, bribe Wisken by the payment of this Sterling Silver Novelties triffing sum; I think it is not unreasonable to observe that although a Times Durban correspondent, dragnet, as it were, has been drawn hanging on the railway policy. There over the constituency, and everything are two schemes, one favored by the which bore the slightest aspect of sus dants. all new and of picion followed up, scrutinized, or abandoned after having been made the is that further railway facilities will subject of a charge in the particulars, be required in the Rand.
