PLAN OF RELIEF OFFER COAL FOR \$3 A TON AT MINES

Will Make Proposal to Civic Committee—Not Charity Deal But in Interest of Residents.

Montreal, Dec. 15.—The Dominion Coal company will give Montreal all the coal it wants, loaded on the cars at the mines at \$3 a gross ton, and if the government would transport it free, the coal could be sold here at the same price, on the cars.

Ald. Laporte, and it represents the latest proposal to relieve the fuel scarcity in Montreal.

Ald. Laporte was willing to pledge his own responsibility, for the payment of the coal and he had reason to believe other aldermen would be glad to do the same thing.

It cannot be too clearly understood that this is not charity coal, neither is it city coal.

G. M. Bosworth, fourth vice-president of the C.P.R., has returned from an extended trip through the North-West and states that in view of the influx of people into that section the train service of the company will have to be considerably augmented.
