General's Life Saved.

New York, May 9, 1902. Gentlemen-Many years ago I recommended your Safe Cure to my old friend, Gen. Wilham Frest Nuttall, of the British Army, Mighty." bles, after long service in India. He took my advice, and, after using your remedy, he was comple elv cured, and was a hale and hearty man when I saw him last, and must have been nearly eighty years of age. He has assured me again and again that he his life, and he swore by it.

I. myself, have used your remedy with the prentest benefits as I was refused by the Emitable Insurance Co. years since for indi- tion. cations of Bright's Disease, but after taking our cure for some time I was able to obtain insurance. This speaks for itself. In my roving career I have been greatly benefitted by using Warner's Safe Cure, not only in the torrid climates of Egypt and India, but also in the Arctic regions of Alaska. Your cure has served me well. Yours very faithfully,
