CHRISTMAS DAY

WAS JOYOUSLY SPENT IN THE CITY.

How the People of Kingston Fared—Plenty of Good Things For All—Sleighing For All Who Desired It.

By a narrow margin Christmas was saved from the ignominy of being styled "green." Christmas eve the heavily laden delivery waggons rumbled over solidly frozen streets, from which every vestige of snow had long since been removed. "Too bad we're going to have a green Christmas," was the general observation. But Santa Claus has a surprise in store, and ere the heavy clouds in the east, which blanketed Old Sol, had been dispelled, the soft snow flakes began to descend softly, and by the time those had been favored by a personal visit from Santa Claus, were astir, a white mantle held the world in its gentle embrace. The coming of snow was hailed with joyous acclaim, and sleighing was freely indulged in throughout the day.

The snow lent zest to the joyousness of Christmas; the festival seemed to be more seasonable. From all reports Santa Claus was generous to rich and poor. The inmates of the various local penal and charitable institutions, etc., were given cause to rejoice upon the occasion of the anniversary of the birth of the King of Happiness. "Peace on earth, good will to men," reigned supreme in the hearts of all, and the festival was spent in rejoicing, praise and thanksgiving. Services were conducted in many of the churches, and large congregations presented themselves to acknowledge themselves believers in the faith founded in the mysterious birth and reign of the Saviour of the world.

With The Artillerymen.

As usual Christmas was suitably observed by the members of the R.C.F.A. The men were freed from all unnecessary duties, and at noon sat down to a bountiful repast in handsomely decorated rooms, the tastiness of the decorations testifying highly to the artistic sense of the men. The meal consisted of turkey, goose, roast beef, vegetables, plum pudding, fruit, etc. While the dinner was in progress the men, both of "A" and "B" batteries, were visited by Col. Drury and the different officers. The customary toasts were honored. The sergeants kept "open house" throughout the day and received many guests.

"Boxing Day" In England.

London, Dec. 26.—Shops and stores everywhere were closed to-day and the masses of the population celebrated "Boxing Day" in the good old-fashioned way. The day following Christmas continues to be the day of real celebration for the English masses, despite the assertions from some quarters that the custom is on the wane.

It is stated in Brussels, that if the pope sanctions the dissolution of the marriage between the Crown Prince and Crown Princess of Saxony, M. Giron will marry the princess.

Worry Over Little Things.

Feelings of Languor and Despondency the First Symptoms of Nervous Exhaustion -- Reconstruct the Wasted Nerve Tissues by Using

Dr. Chase's Nerve Food.

When you become restless and peevish, worry over little things, and are afflicted with dyspepsia, which cannot be attributed to error in diet, you may be sure that the trouble arises from nervous disorders.

Other symptoms are sleeplessness, headache, low spirits, and a tendency to put off the duties of the day. Life seems to lose its brightness, and things go wrong. When in such a condition you will find yourself very susceptible to change of air. When the atmosphere is fresh and clear you have plenty of vitality, but with heavy weather you drag yourself about feeling more dead than alive.

The first necessity is rest from work and worry, and as much fresh air as possible. Then the system must be built up and the wasted nerve force restored by the use of Dr. Chase's Nerve Food.

So much mystery and uncertainty has formerly surrounded diseases of the nerves that people often make the dreadful mistake of neglecting them. They feel weak, miserable, and nervous, but try to console themselves that it will wear away. No so. Nervous diseases do not get well of themselves, but gradually weaken the system until there is nothing left to build on.

Mrs. James Hurst, grocer, 159 Pine street, Kingston, Ont., states:

"I frequently had distressing dizzy feelings in my head in the morning and suffered a great deal with pains in my back. About two months ago I began a treatment with Dr. Chase's Nerve Food, and it was not long before I noticed a great change in my condition. I rest and sleep well now and get up refreshed in the mornings. The pains in my head and back do not bother me any more. I am firmly convinced that this preparation is thoroughly and permanently curing me and that my system is much benefitted by its use."

Dr. Chase's Nerve Food may not cure you in a week or even in a month, but it is bound to benefit you and will naturally and certainly restore vigor to body and nerves. There is no treatment so thorough and effective in curing nervous disorders and none which has been so generously endorsed by physicians and laymen alike. The secret of its remarkable power lies in the fact that it is a food for the nerves, and acts in accordance with nature's laws. 50 cents a box, at all dealers, or Edmanson, Bates and Co., Toronto.

YARKER YIELDINGS.

Several Accidents—Social Doings Reported.

Yarker, Dec. 22.—A wedding party arrived here to take the train. Mr. Babcock, of Wilton, and Miss Minnie Boyce, of Colebrook, were the united couple. Wednesday night the Christmas tree entertainment of the Yarker Methodist Sunday school will be held in Ewart & Vanluven's hall. Thomas Goodberry arrived home with his bride. He gave a dance in the hall here to his many friends. The local hotel is expected to change hands before the end of the year. Charles Potter, who left here in 1860 for the western country, was here for a few days. He was not able to locate any of his relatives, they having gone west. He is now living in Dakota, Van Buren county, Mich. Why do not the young men patronize the reading room. All the best magazines and newspapers of the day, are there, together with a comfortable fire and a smoking room.

Alf. Connoley was knocked down by a boy, who was sleigh riding on the hill. Damon Carroll fell on the ice and broke a bone in his arm. A. McArthur fell on the ice and injured his back. The annual Christmas festival of St. Anthony's congregation, Yarker, took place Monday night. Henry Wattam has invented a new gun sight. The pupils of Miss F. Asselstine presented her with a valuable present at the closing exercises of the school. Miss Asselstine leaves for Minnesota. Miss Alma Reid, from Reidville, has been engaged for next year. J. H. West and wife will spend Christmas at Orne Mee.

DOWN THE RIVER.

Tidings From the Thousand Island Park.

Thousand Island Park, Dec. 23.—The second storey of the new hotel block is up and enclosed. The ice is all gone again except what remains in South Bay. The sloops Lily D. and Flying Cloud are engaged in carrying building material for Gardner and Brown. Superintendent Thiebeau gave his foot a severe jam a few days ago, but is able to get around again. The drillers have struck plenty of water at J. A. Morris', at a depth of eighty feet. The drilling was nearly all in the solid rock. Great preparations are being made for the Christmas tree entertainment at the Foresters' hall, Fine View, on Wednesday evening. Horace V. Moore lost twenty-seven valuable hogs by disease a short time since.

Work is still going on at the new lighthouse nearby, when weather will permit. The sloop Lily D. had her canvas torn badly a few days ago in trying to get to Gananoque. William Cupernall, Jr., filled Mrs. H. M. Lee's ice-house a few days ago with ice ten inches thick. Clarence Bretsch, of Fisher's Landing, has sold his store and contents to Mr. Reed, of the firm of Waggoner & Reed, of the same place. The Christmas exercises of the Park school will be held on Wednesday afternoon. Miss Mary Grant is teacher.

County Councillors Nominated.

Odessa, Dec. 21.—Nominations for county councillors took place in the town hall Monday. The candidates are: Derbyshire, Empy and Fowler. Derbyshire being the only new candidate; his election is almost certain. Mr. Carscallen, Newburgh, after a lingering illness, caused by a fracture of the hip, died at her grand-daughter's, Mrs. P. Holmes, near Odessa, this week. The remains were taken to her late home Christmas day. While Dr. Day was making a professional call last week, his horse ran away and, in jumping a fence, smashed the cutter. Our public school teachers, Miss Dawson and Mr. Adams, have gone to their homes to spend the holidays. Miss Martha Sproule has returned after visiting friends in Newburgh and vicinity. All are pleased to see Stanley Rose able to be around again. Mr. Hunter, wife and daughter, of Watertown, N.Y., are visiting Wesley Babcock. Some Americans are coming to Canada to live this winter, as fuel is so expensive there; only 100 pounds of coal can be purchased at one time. Miss Hessie Clark, Bert Asselstine and E. C. Gilbert spent Sunday at G. D. Simpkins.

Glenburnie Cheese Factory.

The patrons of Glenburnie cheese factory held their annual meeting on December 15th. Everyone was well pleased when the auditor, T. D. Mines, certified recapitulation of the season's work was read. It showed the largest amount of milk ever received by the factory, and also the best net price a hundred ever paid in section, or probably in the county. R. J. Vair was appointed salesman and treasurer. Mr. Mines congratulated all concerned on the correct and careful way in which their accounts were kept.

Total amount of milk received, 1,349,057 lbs.; total amount of cheese sold, 132,607 lbs. average amount of milk to one pound cheese, 10.16; total amount of money received, $13,379.28; average price per pound of cheese, $10.09 cents; average price for milk per hundred net, 91.368 cents.

STRONG MEN FAINT.

While Watching the Wonderful Dr. Lorenz at Work.

Boston, Mass, Dec. 26.—Prof. Lorenz failed of complete success in an operation for hip trouble at the Children's Hospital, but the subject, a boy, was beyond the age limit. He was under the hands of the Austrian expert twenty-five minutes. He succeeded, however, in placing the crippled limb in a position which probably will help him materially. Two other cases were treated successfully. During the demonstration in the first case the unusual force employed in breaking down the adductor muscles and the capsule made such an impression on the man of middle age that the company saw the unusual spectacle of a physician fainting in the operating room. A second physician was saved from fainting by the entrance of fresh air.

McCorkill For Judge.

Sherbrooke, Que., Dec. 26.—It is reported that in the event of Hon. H. T. Duffy declining to accept the vacant judgeship for the district, it will be offered to Hon. J. C. McCorkill, Cowansville, legislative councillor.

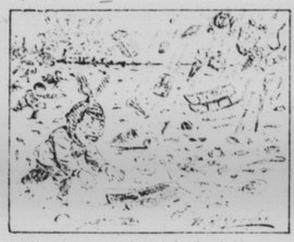
3. "Hello! I'm running into a fierce storm. I didn't count on that."

4. "Good gracious! this is fierce. The weight of the snow and ice is sinking the ship and I'll be dashed to pieces."

5. "I'll have to throw the whole pack of toys overboard to lighten the ship. I'm sorry for the boys and girls, but"——



6. The boys and girls had a merry Christmas after all.

The Late Mrs. Heath.

Christian Guardian, Toronto

Mrs. Heath, relict of the late Rev. William Heath, died at her home in Brantford on November 30th. Mrs. Heath was born in the island of St. Vincent, West Indies, in the year 1826, her father being the Rev. William Fiddler, a Wesleyan Methodist missionary stationed there. In 1846 she was married to Rev. William Heath, who was also a Methodist missionary. They came back to Canada in 1869, and located in Kingston, where her husband died the following year. They had five children, two of whom survive, Mrs. Wrenshall, Brantford, and Dr. F. C. Heath, of Chicago.

Was A Real Success.

Ogdensburg, N.Y., Dec. 26.—George H. Brennan's revival of T. W. Robertson's English comedy, "Caste," which has its initial presentation here, last night, drew the largest audience that has assembled in the Opera House since it was constructed. The play and players met with great favor. Especial hits were scored by Robert V. Ferguson, Mary Scott, the Countess De Castelvecchio and William Hazeltine. There were several curtain calls at the conclusion of each act. To-morrow the company will commence a short tour of the principal cities of Canada and Michigan after which the revival will enter upon a run in New York city.
