REPORT UNTRUE

A wealthy farmer of Weodstock, MAJOR BITTINGER U.S. CON-SUL GENERAL,

> United States consul-general, in this city, has returned from a visit to his former home at St. Joseph, Mo., and denies the reports of his intended resignation as well as the truth of the reports published in a St. Joseph paper that he could not get anything decent to eat in Montreal hotels. The Scottish curlers' team have changed their plans for the city. They will go direct to Quebec from the lower provinces and reach here on the 9th inst., instead of .. coming to Montreal and going to Quebec afterwards.

At the meeting of the Canadian amateur hockey league, to-night, the probabilities are that the Montreal club will be allowed to play for the Stanley cup with the Winnipeg team before the end of the season. Quebec, Victoria and Montreal will vote "aye" it is understood and, probably, the Shamrocks.

WANTED TO RESIGN.

His Services.

John Kerr, superintendent of gas department of the plant of the tendent of the gas plant.

Mr. Kerr has been connected with the gas works for fifty-five years. He came to Kingston to install the local plant and remained with it ever since. As a gas expert he is unequalled on the continent, and his or inion on matters pertaining to the manufacture of gas were accepted throughout Ameria as beyond dispute.
