

WORTH KNOWING.

At this Season of the Year. Any cough accompanied by expectoration which lasts over three or four days, requires attention and treatment; this does not mean a visit to the hospital nor to your physician nor wholesale drugging with patent medicines; but it means that some simple, harmless, effective antiseptic remedy like Stuart's Cathartic Tablets should be used to ward off any possible termination in pneumonia, chronic catarrh, bronchitis or consumption.

BELL IS MAYOR.

WON OUT BY A HANDSOME MAJORITY.

Had Majorities in All Sub-Divisions But One—The Council Stands Conservative—Notes of the Contest.

"Vox Populi" has been heard, and the result gives Mayor Bell the privilege of decorating himself with the golden chain of office, which "Black Rod" Ballantyne has in his immediate possession. Many worthy men have worn this chain, emblematic of honor and authority, and, no doubt, the mayor-elect will not allow its lustre

to become dimmed by reason of its passing through his hands. Others made a gallant fight for the treasure, but they must submit with grace, and bow to the will of the people. "Kingston expects that Kideau ward may stand politically, higher in price than trousers and cheap cough syrups than Stuart's Cathartic Tablets contain antiseptic properties which actually cure colds, catarrh and throat and lung troubles while it is a notorious fact that cough drops and cough syrups are largely composed of opiates and cocaine and other drugs that have no curative power.

It is also true that many popular liquid medicines and tonics for catarrh depend upon the alcohol they contain which give simply a temporary stimulation of no real benefit for any trouble catarrhal or otherwise.

At The City Hall.

A large crowd assembled in the city hall after the mayoralty result was announced. When Mayor-elect Bell appeared upon the platform, he was loudly cheered. After order had been restored he spoke thus: "I desire to thank every citizen, irrespective of politics, for this overwhelming majority, and for the honor conferred in electing me to the highest position in the gift of the citizens of Kingston. If I had ever any political aspiration in life it was to be mayor of the city that gave me birth. I believe that this election was given me not alone by the conservative party, but by many kind friends throughout the city of every shade of politics—men and women who are desirous of a good, clean and economical government in municipal affairs. I shall try and conduct the duties of the office of chief magistrate in an economical way as possible, and, I trust, in a manner that will reflect credit upon myself and upon the electors who have given me this coveted position. I desire to express regret that my friend, Alderman White, did not stand higher; in the result, for he has been an excellent representative of the people in the city council. In my feeling, I trust that the same good feeling which existed among the candidates prior to the election will be continued hereafter."

Clanging Of The Bell.

Anyhow, Bell "sounds well." It is said the electors did not use him White. Everybody will be "ringing in" a job upon the mayor's name. Mayor Shaw was a strong worker in behalf of candidate Hoag. Alderman Kent is the oldest member of the council, this being his eighth consecutive year.

In No. 30 sub-division, Victoria ward, every possible vote was polled. They are hustlers up that way. In the failure to elect Dr. Duff and W. H. Godwin, the city lost the services of two splendid councillors. There is a bias and a banishment in this year's council, and the voters are likely also to disclose some basewood men. W. H. Godwin had four elements arrayed against him in Frontenac ward. For one who did not canvass he made a magnificent run. Very little money changed hands upon the mayoralty result, as sporting men were afraid to venture a guess on an uncertain element as the ballot presented.

The religious standing of the council shows this summary: Methodists, nine; Anglicans, five; Presbyterians, five; Roman Catholics, two; Christian Scientists, one. During the night, a big confire blazed in front of Mayor-elect Bell's house on Wellington street. Scores of people called to deliver their congratulations, and were hospitably received.

"I would like to know who it was voted for White in No. 13 sub-division," said a prominent ward worker this morning. "If he can establish his identity I will reward him suitably." Alderman-elect Bassam did not make a canvass. He confined himself exclusively to No. 22 sub-division, Victoria ward, throughout election day. Bell made the canvass the other candidates did, he might have headed the poll.

The new aldermen elected are: Mowat, Bass, Reeves, Sands, Meek, Hoag, Groves, Bassam, taking the places formerly held by Farrell, White, Bell, Carson, Hartness, Hipson, Dunlop, Graham. Of the number it. Meek has been in the council before. Con. Millan won his two four-fold bid of \$40 each. He wagered that Bell would win, that he would poll more votes than his two opponents combined, that White would be last in the race, and that the better would win two of the three wards.

Alderman-elect Groves was absent from the city last year when his name was on the list of electors of Victoria ward, but he polled 226 votes, and came within sixty-eight of tying the third alderman elected. This year he polled 297, and finished second.

PRESCOTT WON PLAYED THIRTY MINUTES OVER TIME.

Very Exciting Game—Most Interesting Since the Memorial Queen's Wellington Match—Two Curling Matches Played. The keenest hockey match witnessed in Kingston since the memorable occasion when Toronto Wellingtons wrested the O.H.A. senior championship from Queen's, was that played off in the Kingston skating rink Monday night, when the K.B.C. Ramblers and Prescott met in the opening match of the O.H.A. intermediate series, eastern group. The teams went into the contest with little or no practice, but the speed developed was surprising. While the Prescott team is strong, and well balanced, it was disappointed by the home team. It was by sheer bad luck that the K.B.C. Ramblers did not have a handsome majority of points. Throughout the game play centred almost exclusively in Prescott's territory, and it seemed that almost every shot the visitors made on goal found an opening. The strong defence of Prescott alone saved them from ignominious defeat.

At half time the home team had tallied up five points, while Prescott had to be satisfied with three. In the second half Prescott scored twice, while the bicyclists failed to advance their standing, making a tie at the end of full time. Referee Dalton called an overtime period of ten minutes, but Prescott demurred, but finally consented to appear on the ice. The first period of ten minutes passed without a score; so likewise did the second. In the first half of the third period Ramblers thought they had cut place of the Prescott team, but visitors scored, making the tally six all. In the second half of the last ten minutes Prescott scored the deciding point, making the total seven to six.

Prescott—Goal, Harnable; Hill, Tynes; cover, Hill; forwards, Easter, Farnham, Deban, Callaghan. K.B.C. Ramblers—Goal, Nicholson; cover, Bond; cover, Vanhorn; forwards, Orlivier, Ashley, Powell, Seal. The visitors had a player from Montreal and one from Ottawa. Callaghan was the only visitor on the forward line who could successfully compete with the local forwards. A really number of promotions have been made in the schools and the teachers have now begun a two weeks' review of the first term's work.

A county council candidate consoled himself with the declaration that if he couldn't run he would run out. In any case he would be in the running. Lifebuoy Soap—disinfectant—is strongly recommended by the medical profession as a safeguard against infectious diseases. A. E. Hodgins returned to his home in Smith's Falls, to-day, after a very pleasant sojourn in the city visiting his sister, Mrs. G. E. Warren, Scientist, one. "There is one very suspicious thing I have noticed about the man who says 'I told you so,'" remarked the Portsmouth philosopher this morning. "He never comes to come out with a new hat."

Two Junior Rinks. Two rinks of juniors played their rounds at the Kingston curling rink last night, with these results: Rink No. 1—W. Gil, S. Kirkpatrick, Prof. MacNaughton, Prof. Knight, skip—11. Rink No. 2—M. Storey, H. Groves, F. Webster, J. F. Nicke, D. McKay, Jr., W. Conroy, S. C. McBride, C. D. McFarland, skip—20. D. J. Laidlaw, F. H. Maenee, Dr. Herald, H. Haig, skip—10.

Nine years ago I found a costly chemical in Germany which, with my previous discoveries, gives me a certain cure.

FRONTENAC ELECTIONS. Councilor Mozier Defeated—Warden Spoor Led. All the returns of the Frontenac county council elections are not yet to hand, but Wolfe Island and Kingston divisions are complete, and show this vote: No. 2 (Wolfe Island, including Portsmouth and Howe Island), Spoor, 347; Cox, 292; Mozier, 284; Grant, 258. The three are elected, while Councilor Mozier, who has served four years, drops by eight votes. Warden Spoor was returned at the head of the poll in spite of the fact that illness prevented his making a canvass, and of the determination of some people to defeat him.

BAIDEN ELECTED. Reeve of Portsmouth—How The Vote Slood.

The elections in Portsmouth on Monday excited much interest. Baiden and Matheson were in the field for the reeve's post, and latter suffered his third defeat, Baiden being elected by fourteen majority. The councillors elected were Simmons, Fisher, Marks and Kennedy. The latter had a close run with Atkins, winning by a nose, just one vote. The result was: For reeve—Baiden, 78; Matheson, 64.

For councillors—Simmons, 87; Fisher, 75; Marks, 72; Kennedy, 67; Atkins, 66. Public school trustees—Henstridge, Halliday, Porter. Separate school trustees—Rev. Father McDonald, P. M. Beaupre and John O'Neil, by acclamation.

After the results were announced, several speeches were made. Reeve-elect Baiden thanked the electors for giving him the victory. He referred to the scurrilous article in the News of Saturday concerning himself, and explained clearly and in detail the financial condition of the village. The speech by the defeated candidate for reeve was full of insults to a portion of the electors, whom he termed as "low Catholics."

General Hospital Governors. The January meeting of the board of governors of Kingston General Hospital was held on Monday afternoon. Present: Prof. Marshall, chairman; W. F. Nicke, D. McKay, T. M. Robertson, Rev. Sterne Tigne, W. B. Skinner, G. Y. Chow. The committee of management was authorized to purchase a new boiler for the laundry. The visiting governor's report, read by Mr. Stenrope, was left over for the next meeting. Notice of it will be given to each member of the board, stating that an exhaustive report of the management of the hospital and discussion thereon will be brought up, and every member is requested to be present. The visiting governors were reappointed.

Derry Lodge, No. 1, P.A.P.B. The following officers were installed for the above mentioned Lodge at their regular meeting, last night, at the residence of Mr. J. S. Derry, master, John Sands; deputy master, William Moore; financial secretary, C. Edward; recording secretary, A. Skeggs; treasurer, W. Milligan; chaplain, W. Callan; director of ceremonies, W. Sands; inside tyler, W. P. Johnson; outside tyler, W. Grillian; foreman committee, C. Morden; property committee, D. Brown and S. Kirker; trustee, W. Cookade; auditors, James Berry and A. Tuttle.

A Convict Released. Yesterday afternoon, Thomas Wilson, who served twelve years in Kingston penitentiary for murder, was released. His crime occurred in London, Ont., where he shot and killed Detective Fair. Wilson, with a couple other men, were committing an annoyance on the street, ringing door bells and summoning ladies. Detective Fair pounced upon them, and was instantly shot by Wilson. The sentence caused much comment at the time, as it was considered very light.

The Late Patrick O'Donnell. The funeral of the late Patrick O'Donnell took place on Monday afternoon. The pall-bearers were Michael Brennan, L. O'Brien, T. J. Leahy, B. McGeein, Edward Cunningham and M. J. Kennedy. A solemn libera was sung in St. Mary's cathedral by Rev. Father Hanley, assisted by Rev. Father O'Gorman. The remains were taken to St. Mary's cemetery.
