RICHARD CANFIELD'S GAMB-LING DEN.

Shut Down Sunday Concerts-Another Unfortunate Woman Shop-Lifter.

Special Correspondence, Letter No. 1,339. not experienced such a thrill of hor- tradition. England he found rather are occasional quartz crystals. ror in many a day as we experienced unsafe, but it will be pretty hard if The old shore surrounds an area this week when the daily journals Monte Carlo is not permitted where proximating ten acres. It varies gave out the news that a beautiful men and women gamble for millions height from one to six feet. child had been brutafly assassinated and suicides are not uncommon. From by a discharged family coachman. It present appearances it looks as if Mr. was the act of an inhuman fiend, the Canfield's exile would be permanent. like of which cannot be found in the So our district attorney has got the criminal calendar of the savage and gambling fraternity on the run. There inches to six feet. This sandstone floor brutal Comanche. The provocation is no rest for the wicked where our is slightly inclined, so that it slopes was insufficient for such a terrible district attorney swings the punishing upward very generally toward the crime as for a fancied wrong. As far axe, for if he ever does lay his hands south mother, so suddenly deprived of her protectors and to whom we give help her ! The most merciful judgment | they afforded us, it is a genuine pleathat the perpetrator of the crime is a madman, and the proof of the crime tures and rare works of art, where no that can be pronounced in such a case black scandal deforms the work. is very evident, for immediately after brains. It is terrible to think by what an uncertain tenure human life is held. Lincoln was assassinated in the presence of thousands. Garfield fell in the midst of a crowd, hundreds of whom would have given their life for his. sembly is struck down, though surrounded by an ample guard; and now this innocent little child, in its own happy home, is brutally murdered when no help was near.

Strange, oh wondrous strange, Here lies the soulless clod, A moment since with us, And now with God.

pular as the music of the Italian The translation of Captain Miles O'-Reilly has created a very lively stir, not only among the soiled doves, but also among the great gambling houses, in the closing up of which he has had the potential aid of our efficient district attorney, and this active pair hitched to a police patrol waggon, after breaking into a gambling house they not only seize the proprietors thereof, but they carry off all the implements of his trade. It may be remembered that some years ago John Morrisey ran the biggest game that was run in the city of New York. He had a magnificent place fitted up in Saratoga and he imitated as far as possible the financial abundance of Monte Carlo. His patrons were no bunco steerers; steamboat solicitors or dead beats. Wealthy planters from the south crowded around the tables ery night and so perfect was his rule and so supreme his power that the authorities dare not lay a hand on him, and the same may be said New York City, for he was, hand and glove with all the civil and criminal authorities. He compelled the democratic party to nominate him for congress, and though opposed by as popular and wealthy a man as August Schell and running in the most aristocratic district in New York, he was elected by the largest majority that the democracy had known for a gen-

The nearest approach to the anh ing power of John has been that of Richard Canfield. His bouse is preeminently respectable, and the viands and wines provided were of the very best and free as the air. Mr. Canfield seemed to think that his place was as secure from police raids as if he back ed his door in front and behind with the Rock of Gibraltar, Now, after have heard that old saying, "Where great District Attorney W. F. Jerome was almost the first man to find out that way. For many years this gambling boaherges has snapped his fingers in of either party. We have just received the face of all the police officials and where his power was no fellow could (roker will be here with us at the find out, and it became evident that next election, and if he does there will other, "Come," and he cometh. We lend them a hand beyond a doubt. knew as well as any one wanted to know that the majority of our police was absolutely mournful to the famdo you know it is a pretty hard thing her relatives into such serious trous
