NOT DUE TO CLIMATE.

Catarrh Is Found Everywhere.

Catarrh is at home anywhere and everywhere. While more common in cold, changeable climates, it is by no means confined to them, but is prevalent in every state and territory in the union.

The common definition of catarrh is a chronic cold in the head, which, if long neglected, often destroys the sense of smell and hearing; but there are many other forms of the disease, even more obstinate and dangerous.

Catarrh of the throat and bronchial tubes as well as catarrh of the stomach and liver are almost as common as nasal catarrh and generally more difficult to cure.

Catarrh is undoubtedly a blood disease and can only be successfully eradicated by an internal treatment. Sprays, washes and powders are useless as far as reaching the real seat of the disease is concerned.

Dr. McIverney advises catarrh sufferers to use a new preparation, sold by druggists, called Stuart's Catarrh Tablets, because actual analysis has shown these tablets to contain certain antiseptic qualities of the highest value and being an internal remedy, pleasant to the taste, convenient and harmless, can be used as freely as required, as well for children as for adults.

An attorney and public speaker, who had been a catarrh sufferer for years says:

"Every fall I would catch a cold which would settle in my head and throat and hang on all winter long and every winter it seemed to get a little worse. I was continually clearing my throat and my voice became effected to such an extent as to interfere with my public speaking.

"I tried troches and cheap cough cures and sometimes got relief, but only for a short time, until this winter when I learned of the new catarrh cure, Stuart's Catarrh Tablets, through a newspaper advertisement. Two fifty cent boxes which I bought at my druggist's, cleared my head and throat in fine shape and to guard against a return of my old trouble I keep a box of the tablets on hand and whenever I catch a little cold I take a tablet or two and ward off any serious developments."

Stuart's Catarrh Tablets deserves to head the list as a household remedy, to check and break up coughs and colds, because unlike many other catarrh and cough cures these tablets contain no opiate, cocaine or any injurious drug.

DO YOU KNOW

That we upholster furniture in the latest and most approved style, with the best, the very best workmanship possible to obtain. We carry the largest line of furniture coverings to be found in the city; the very newest designs and ideas, and the prices are surprisingly low, for we import direct from the makers in England and France. We will be glad to give you estimates for recovering your couch or chair, and guarantee you complete satisfaction.

R. McFAUL,
Kingston Carpet Warehouse.

STOCK-TAKING SPECIALS.

During stocktaking, we found a number of different lines that were first-class, but for some reason were not fast sellers, only one or two of each, and we have decided to run these off at a great reduction before our new goods come in.

1 Extension Table, was $35, reduced to $22.

1 Extension Table, was $28, reduced to $22.

1 Bedroom Suite, was $95, reduced to $60.

1 Bedroom Suite, was $75, reduced to $57.

1 Bedroom Suite, was $55, reduced to $37.

1 China Cabinet, was $55, reduced to $42.

1 Parlor Suite, was $65, reduced to $40.

These prices are less than cost, and not repeated.

Carpets, Rugs, Linoleums, Oil Cloth, Curtains, odd ends and odd designs; some short and some long, but all reduced in price.

T. F. HARRISON CO.
UNDERTAKING AND EMBALMING.
'Phones 90 and 91.

Wood's Phosphodine,

Before and After.

The Great English Remedy, is an old, well established and reliable preparation. Has been prescribed and used over 40 years. All druggists in the Dominion of Canada sell and recommend as being the only medicine of its kind that cures and gives universal satisfaction. It promptly and permanently cures all forms of Nervous Weakness, Emissions, Spermatorrhœa, Impotency, and all effects of abuse or excesses; the excessive use of Tobacco, Opium or Stimulants, Mental and Brain Worry, all of which lead to Infirmity, Insanity, Consumption and an Early Grave.

Price $1 per package or six for $5. One will please, six will cure. Mailed prompt on receipt of price. Send for free pamphlet. Address The Wood Company, Windsor, Ont., Canada.

Wood's Phosphodine is sold in Kingston at all drug stores.

ARTHUR H. HOWELL,
REPRESENTING THE LONDON, Eng.) College of Music, visits Kingston Tuesday of each week. Address Box 378, Brockville, Ont.

CITY COUNCIL.

DISCUSSING REPORTS OF MAYOR'S ADDRESS.

The Summer Hotel and Street Improvements Under Review — The Lengthy List of Accounts —Municipal Insurance.

The first regular meeting of the new city council was held last evening. There were present: Mayor Bell, Aldermen Behan, Craig, Kent, Meek, Knapp, Abbott, Sands, Mowat, Bassam, Bass, Hoag, Angrove, Sears, Tait, King, McCammon, McFarlane, McLeod, Walkem and Mallen.

The first order of business was the discussion of the mayor's inaugural address, Alderman King in the chair. The clause that suggested meetings of only one or two hours' duration was greeted with cries of "Hear, hear!"

The third clause, calling for the expansion of the city as a summer resort, provoked discussion. Alderman Walkem wanted it referred to the committee on industries.

Alderman Behan's view was that the question of a summer hotel was one of great interest to the city. No doubt the mayor had not suggested reforms without having considered the matter.

In reply his worship said the summer hotel question had been passed over lightly by previous councils; today it was a dire need. Kingston was not intended as a manufacturing town, he regretted to say; but as a summer resort it had no peer from ocean to ocean. It had water privileges unobtainable anywhere else in the world. Possibly if council got at the business early in the year, it would secure an hotel before the season closes. The site should be a good one. Let the back face the water, and be the same architecturally as the front. Build it with wings, said his worship, so they can be put to use for commercial purposes in the winter. He did not want to see the hotel open only four or five months during the year. His worship advocated the appointment of a subcommittee to co-operate with the industries committee, stating his belief that money could easily be raised and the hotel built.

Alderman Behan reviewed the past history of the movement, known to most readers. Mr. Inglehart, New York, here last year, had guaranteed to fill the house winter and summer, if it were erected. Kingston could well follow in the footsteps of Cobourg, which has made itself a popular summer resort.

Alderman Craig wanted to see the hotel situated on some such premises as the Frontenac Brewing company's. He did not agree with the mayor, that Kingston could not be made a manufacturing city.

Alderman McLeod stated the hotel question was ten years of age, and it was a waste of time to discuss the beauties of city and the surroundings and not get down to work.

"The place to build the hotel is on the British American hotel corner," declared Alderman Kent. People had hitherto killed the scheme by wanting to get the hotel out of the heart of the city.

Alderman McCammon took the opposite view; he had been told by outsiders that the hotel should not be built in the city.

The clause was finally referred to the committee on industries.

Streets Improvements.

Another clause, advocating the abolition of ward appropriations and the setting aside of a general fund for street improvements provoked discussion.

Alderman Tait did not believe in paving the streets when good stone was so easily obtainable.

Alderman Meek thought the mayor's scheme was too radical; it might be carried out next year, but not this.

This brought forth from his worship the remark that some aldermen were too ready to throw cold water on every enterprise promoted. This had kept the city back for the past twenty-five years.

"The essence of the whole matter is funds," said Alderman Behan. "Where are we going to get the money to keep the streets even in partial repair? The methods at present are expensive. Modern machinery has taken the place of the pick and shovel in all enterprising cities."

The clause referring to walks, roadbeds and scavengers were referred to the board of works.

The next clause dealt with the appointment of a plumbing inspector, and was referred to the finance committee.

"Our debt is not being reduced too rapidly," was the concluding sentence of the next clause.

Alderman Meek agreed with this. The corporation had about as much debt as it ought to carry. The city's debt should be paid off as fast as possible; there are instances where economy might be used. Since 1887 the debt had been reduced only $174,946, but was still $991,356.

The clause went to the finance committee.

Communications Considered.

These communications were read and referred to the respective committees:

From the city property committee of 1902, asking council to appoint a special committee to meet the Merchants Retail Association to discuss the transient traders' license question.—Referred to city property committee.

From the Bell Telephone company informing council that it intends opening certain streets for the erection of poles and asking council to appoint the engineer to direct and supervise the work.—Board of works.

From T. G. Kinnear, asking the use of the city hall on the evening of March 2nd.—Property committee.

From the Rideau Lakes Navigation company, asking for a grant of $100, to advertise Kingston in their 1903 folder.—Finance committee.

From D. A. Givens, solicitor for J. A. Craig, claiming $39 and interest as the amount of refund he is entitled to in connection with the Yonge street sewer.—Board of works.

From W. Wathen applying for the position of chimney sweeper for 1903.—Fire and light committee.

From D. M. McIntyre, city solicitor, informing council that one of the owners of Wellington Terrace (Alderman Tait) has declined to enter into any covenant as to the future repairs to the stone wall fronting said Wellington Terrace, and that another of the owners has died intestate, and asking for instructions as to the transfer.—Board of works.

From W. G. Gates asking to be allowed to keep the crossing at Johnston and Aberdeen streets clear of snow—Board of works.

From Collingwood Schreiber, secretary of the railway committee of the privy council, transmitting a draft of the proposed order, respecting the subway at Kingston Junction.—Board of works and city solicitor.

From the Vocal Students' Club, asking for the use of Ontario hall, on Monday evenings for their weekly practices—City property.

The Finance Report.

Alderman Walkem presented the report of the finance committee, recommending the payment of the following accounts: Election officials and polling booths, $319; Bell Telephone company, $25; W. M. Baillie, sundries, $8.75; John Mudie, examination, re Hamilton vs. Kingston, $6; St. John's Industrial School, maintenance; W. Purtell, $52; W. S. Grant, care of registry office; to December 31st, 1902, $12; Kingston Light, Heat and Power company, lighting streets, $1,907.58; the Prichard-Andrews company, Ottawa, dog tags, $14.15; H. Wade, postage stamps, $5; F. A. Bibby, horse hire, election day, $4; Mowat, Langton & Co., costs re arbitration appeal, $17; J. P. Hanley, pauper passes, $6.55; Thomas McAuley, binding, etc., $10.50; J. P. Gildersleeve, searches re Clergy street, 75c.; L. W. Shannon, express on voters' lists, 50c.; Lemmon, Claxton & Lawrenson, chimney top, $5; McKelvey & Birch, putting up stoves, etc., $25.20; John Ballantyne, for scrub woman, $4; James Sowards, wood, $7; Kingston Light, Heat and Power company, for lighting Ontario and City halls, engineer's office and messengers' quarters, $191.90; Booth & Co., coal, $8; Lemmon, Claxton & Lawrenson, sundries, $9.70; John F. McDermott, repairs, $2.25; Thomas Hilton, repairs, $1.30; Peter Lowry, horseshoeing and repairs, $13.88; John Burns, service in fire department, $2.60; K.L.H. & P. company, gas, $30.45; ditto, electric light, $1.90; G. F. Nuttall & Son, repairs, $6.05; H. Wade, supplies, $19.10; W. A. Mitchell, sundries, 45c.; James Sowards, twenty-one tons of coal, $147; T. C. Wilson, horse hire, $15.45; the Rudd Harness company, two collars, $10; G. Thompson, feed, etc., $44.77; Dalton & Strange, blankets, bells and sundries, $5.94; A. Abernethy, rubber boots, $10.50; McKelvey & Birch, pipe damper, stove, globes, $12.80; W. Massie, lumber, 30c.; W. Gilmour, new box and pole on sleigh, $10; Fire and Water, nine months' subscription, $2.50; R. H. Fair, sand, $4.10; R. Waldron, cotton line, 23c.; McKelvey & Birch, truck repairs to gauge, $3.15; pay roll, to December 31st, $119.53; pay roll to January 14th, inclusive, $160.66; W. G. Frost, painting waggon, etc., $8; H. Skinner & Co., chloroform, $3.85; Elliott Bros., repairs, $6.28; Oram & Carter, printing, $60.60; D. M. McIntyre, conduct money paid Dr. Rogers, re K.L.H. & P. Co., assessment appeal, 75c.; taxes remitted by court of revision, $731.30. Water works: K.L.H. & Power company, gas to December 31st, 1902, $36.10; Queen City Oil Co., oil, $43; labor pay list, ending December 31st, 1902, $52.08; labor pay list ending January 14th, 1903, $52.44.

The committee further recommended that the tender of the Bank of Montreal for the city's account be accepted; that the taxes for 1902 on the Kingston Ladies' College and the adjoining lot occupied by them be written off. On the communication of J. Ross Robertson, no action; that the communication of J. A. Fowlie re exemptions be fyled; that by-law No. 13, 1900, a by-law respecting dogs, be amended to provide for the more adequate collection of dog taxes and that the accompanying by-law embodying the proposed amendments, be introduced at the proper stage of the proceedings.

Alderman Walkem moved, seconded by Alderman McLeod, that the report be adopted.

Alderman Craig asked what steps had been taken in the matter of municipal insurance.

Alderman Walkem thought that the committee of last year had done nothing about the question.

Alderman Sears—The insurance companies are, in a way, taking the citizens by the neck.

Alderman Meek—I believe the insurance policies should be cancelled and the property insured over again in a better way.

A proposed re-adjustment of the insurance brought forth considerable discussion. The mayor promised an early consideration, after which the report was adopted.

Alderman McFarlane presented the report of the fire and light committee, already published, and moved its adoption. Carried.

The Property Report.

Alderman McCammon presented the report of the property committee, recommending: That on the communication of Christine Martin, the rent of the city hall to the King's Daughters and Sons, early in February, be the cost of heating, lighting and caretaker; that the contract for the supply of cut hardwood be awarded to J. A. Donaldson, at $6.95 per cord of 128 cubic feet, his being the lowest tender; that the contract for the supply of anthracite coal be awarded to the Kingston Coal Co., at $7.25 per ton (chestnut), this tender being the lowest.

Moved by Alderman McCammon, seconded by Alderman Kent, that the report be adopted. The clause, referring to the renting of the city hall, was stricken out, after which the report passed. A by-law fixes the rent of the hall, and a rebate may afterwards be made.

INCIDENTS OF THE DAY.

Newsy Paragraphs Picked Up By Reporters On Their Rounds.

Pay water rate and save discount.

Chamois vests, $1.50 up. H. B. Taylor.

The city auditors have begun their task of going through the books of the city officials.

"Babies would make fine rooters at a hockey match," says the Portsmouth philosopher.

Queen's Glee and Mandolin Club, opera house, Friday night. Plan at Uglow's. Tickets 35c. and 50c.

Edward Coyle, clerk at the Club hotel, is on the sick list suffering from the effects of a severe cold.

Tobias Butler, M.D., died at Belleville on Sunday, aged thirty-two. He graduated M.D., at Queen's in 1893.

Mrs. Ritchie with her daughter, Nora, Milburn, are visiting her sister, Mrs. John Hall, at No. 1 fire station.

Transparent Glycerine soap, 3 cakes for 10c. H. B. Taylor.

Military Court Earl Roberts, I.O.F., will hold another pleasant "At Home" in the Whig Hall on the evening of the 25th.

Monkey Brand Soap removes all stains, rust, dirt or tarnish—but won't wash clothes.

B. Arthurs, the capable leader of the Grand opera house orchestra, has returned from Hamilton after a ten days' visit.

Mrs. William Dunlop, Union street, is steadily improving, and hopes are now entertained that she may ultimately fully recover.

The market to-day was slimly attended, both on the part of farmers and citizens. Poultry were scarce and commanded high prices.

Hear Prof. Ruddick's illustrated lecture on New Zealand on Thursday evening in dairy school hall.

This morning's temperature was over twenty degrees higher than that of yesterday, the thermometer registering ten degrees above zero.

Chamois skins, a fine assortment, just received at McLeod's drug store.

Friends of the late Mrs. Archer have contributed to a fund and will provide for the burial of the remains, which will be interred in St. Mary's cemetery.

Chlorate potash tablets and soda mint tablets, in bottles, 5c. each. McLeod's drug store.

You hardly realize that it is medicine, when taking Carter's Little Liver Pills; they are very small; no bad effects; all troubles from torpid liver are relieved by their use.

"Why is it," asks the Princess street philosopher, "that the Napanee postoffice is open for an hour on Sunday, for box-holders, while the Kingston office doors are padlocked?"

Hard or soft corns cured with three applications of Peck's Corn Salve, 15c. at Wade's.

The Belleville Intelligencer says, "the minister who preached Sunday on the text, 'Not dead, but sleeping,' did not refer to the Belleville Board of Trade." No he meant the town.

Many prominent dairymen have signified their intention of being present at the one-day convention at the dairy school on January 22nd, and a large and representative gathering is assured.

The Bell Telephone company has informed the city that it will erect poles on several more streets. Alderman Kent believes in trying to compel the company to place its wires underground.

Try a pound of our choice mixed bird seed, 6c. per pound. McLeod's drug store.

Col. Isaac Shields, a pioneer Thousand Island resort man, of Philadelphia, is dead. For the past twenty years and more he has spent his summer vacations at Hill Crest, opposite Point Vivian.

First thing we know Police Magistrate Farrell will be getting his picture in the papers as the father of "a very satisfactory punishment of refractory youths." He is being highly praised for his scheme.

The philosopher of the Army Service Corps says that when the members of that unit emerge from the course of lectures now being undergone, they will each and all be veritable bureaus of general military information and walking encyclonaedia.

Mayor Bell's statement that the council meeting should adjourn at 10 p.m., was not lived up to. It was after 11.30 p.m., when the council arose. If this is a New Year resolution, which his worship has broken, the citizens can forgive him.

The death of Adeline Bedour, near Burridge, on Christmas eve, was sad. After visiting a neighbor she started for her home, and in crossing Green bay, broke through the ice and was drowned. The funeral on the Sunday following was largely attended. Mass Mass was sung by Rev. Father Brideneau, assisted by Father Dupuez.

The president of the International League of Liars is going to present the vice-president of the local league, a city official—with the handsomest blooming calla lily he can find in the city, as a token of the purity and spotlessness of the character, thoughts words and actions of the local vice-president.

Trunks And Valises.
At cost at Abernethy's sale.

DID YOU EVER KNOW

That Improper Food Often Causes the Liquor Habit.

It's a great proposition to get rid of a taste for liquor by changing food. "About three years ago," writes a man from Lowry City, Mo., "my appetite failed me and my food disagreed with me. I got weak and nervous and felt dull and entirely unfit for business; then like a fool I went to taking liquor to stimulate an appetite. For a time that seemed to help and I congratulated myself on finding so simple a remedy. But, alas! I had to take more and more all the time until I got so that I could not get along without the whisky, and I was in a pitiable condition.

I tried to quit but that seemed impossible as I needed nourishment and my stomach rejected food and the more whisky I drank the worse I got. I kept fighting this battle for more than two years and almost gave up all hope.

I noticed an advertisement of Grape-Nuts in the paper and concluded to try it. I found I could eat Grape-Nuts with a relish and it was the first food that I found nourished me in a long time. Soon my stomach trouble stopped, my appetite increased, the craving thirst relaxed until all desire for drink was gone. I have used Grape-Nuts constantly for over a year and I am now strong and robust; entirely cured from drink and able to work hard every day. My gratitude for Grape-Nuts is unspeakable as it has saved my life and reputation." Name given by Postum Co., Battle Creek, Mich.

RESULTED IN TIE

BUT R. M. C. II EASILY WON THE ROUND.

Last Night's Match With Queen's III Resulted Four All—A Denial From Pittsburg—General Sport.

The second match in the junior O.H.A. series between Queen's III and R.M.C. II, took place last night and turned out to be one of the most exciting of the season. Good hockey was played at times and the excitement was intense. Queen's was greatly strengthened at point by the addition of Macdonnell, who proved to be a genuine imitation of the original "Guy Curtis." Malcolm did better work at cover-point than in the last game, when he played point. The Cadets were minus the presence of Constantine, their crack shot. These changes were the means of evening up the two teams to a nicety and had one or two of the Queen's men been drilled into the fact that there are no real good hockey men who are "one hand" players, the score might have been much more in their favor. At half time the score stood, Queen's,3; Cadets, 1. During the second half R.M.C. added three goals, while Queen's succeeded in scoring one, making the total of four goals each. "Chaucer" Elliott again succeeded in demonstrating that he is the best referee in Canada to-day.

Queen's III—Goal, Madill; point, Macdonnell; cover-point, Malcolm; wings, Templeton and Wilkinson; centres, Dunlop and Sutherland.

R.M.C. II—Goal, Goldie; point, Harrington; cover-point, Peterson; wings, Gill and Correstine; centres, Trotter and Dunlop.

Cadets are winners of this round, having defeated Queen's by fourteen to four on Monday last. They now meet the Frontenac-Beechgroves.

With The Curlers.

Last night at the curling rink two junior matches were played, resulting as follows:

Rink No. 1.—C. McPherson, J. M. Elliott, J. A. Minnes, W. H. Dalby, skip.—7. J. M. Farrell, F. H. Macnee, H. G. Jackson, Dr. Haig, skip.—22.

Rink No. 2.—E. M. Storey, H. D. Bibby, W. F. Webster, E. Lyons, skip.—7. E. Burns, W. A. McInnes, S. McBride, C. D. McFarland, skip.—15.

At noon to-day the Kingston rink to play the Scotchmen in Peterboro to-night, left for that place. The players are: Dr. Haig, Felix Shaw, Colonel Drury, W. B. Dalton, skip. They will meet the Scotchmen at Sharbot Lake, as the latter left Ottawa this morning.

Sport In General.

Columbia University has Canadian coaches for rowing, lacrosse and hockey.

Harvard defeated Princeton by 4 to 1 in the intercollegiate championship hockey series.

Manager Barrow has resigned from the Toronto baseball club. He becomes manager of Detroit.

The Toronto Mail-Empire extends congratulations to "Chaucer" Elliott on his re-instatement.

The Toronto Globe advises the Toronto 'Varsity team to quit, now that they have won a match.

The Kingston Chinamen are talking of forming a hockey team, and challenging Belleville and 'Varsity.

The Winnipeg Stanley cup challengers leave for Montreal next Saturday. They will not play in Belleville.

"Chaucer" Elliott has been appointed to referee the Cornwall-Smith's Falls match in Cornwall to-morrow night.

It is the O. H. A. that has appointed "Chaucer" Elliott referee in Cornwall. That body thus recognizes his amateur standing.

Deseronto and Picton hockey teams have agreed upon J. T. Sutherland as referee for their match in Deseronto to-morrow night.

At Prescott last night, the home team defeated Iroquois by 4 to 1, and are now tied with K.B.C.-Ramblers for first place in the O.H.A. intermediate series of this district.

It is expected that 3,000 bowlers from all parts of the United States will be present at the great tournament and convention to be held at Indianapolis, February 11th.

The K.B.C.-Ramblers have asked Prescott to change the date of the match there from the 26th to the 23rd, so as to equalize the trips from home which the locals have yet to make.

A bill has been introduced into the New York assembly, proposing that golf and amateur baseball and football matches, where no admission is charged, be not regarded as Sabbath desecration.

On the 28th, Queen's senior hockeyists leave for New York, where two matches will be played. On February 6th, they go to Toronto to trounce 'Varsity in presence of the people of Porktown.

The McGill-Queen's match next Friday, is arousing interest in Montreal. McGill students will be out in force, and their musical clubs will lead in the choruses. It will be a university night in Frenchtown.

Belleville, according to the Intelligencer, expects to have a new $12,000 rink next winter. It will later on be used as a cemetery vault to bury the inhabitants—if it is built. But it will likely never materialize.

McGill II. and Bishop's will not play in the Intermediate Intercollegiate hockey series this year. It seems difficult to get the Intercollegiate series started, the long distances of travel deterring some of the teams.

The action of the O. H. A. in declining to allow any of its clubs to compete against Houghton, Mich., was a serious blow to hockey there. It is said that no hockey salaries are paid in Houghton. Positions are found for players.

The indoor baseball match arranged for last night between teams from the Army Service Corps and 14th Regiment's sergeants, had to be cancelled on account of the course of lectures the first named are undergoing. Two innings were played when a halt was called. The match will be played at a later date.

"Jock" Harty is devoting a lot of time to getting Queen's senior hockey ists into good playing condition. His colts on the forward line are speedy, but require much coaching. McGill, of course, has an advantage over Queen's in being perfectly familiar with the Quebec off-side rule. After being brought up on the O.H.A. rule, it is difficult for a team to change its play in a few weeks.

The Canadian rugby team have been informed that their match in Paris, France, is to be played on a Sunday, a great holiday of the Parisians. The Canadians will refuse to desecrate the Sabbath by playing for the amusement of the people in the French metropolis, and their action meets with strong approval all over the Christian world. France will be shown that Canada's welfare is chiefly accountable to her observance of the Lord's Day.

A. S. McSwigan, manager of the Duquesne Garden, Pittsburg, Pa., writes to J. T. Sutherland, of the Frontenacs, regretting that the Kingston team cannot visit the Smoky city, as their appearance was looked forward to with great interest after the keen matches they played there last year. Mr. McSwigan denies emphatically and declares false the statements attributed to him by the Toronto Telegram correspondent that the rink management paid salaries to the hockey players. He declared he was never interviewed, because he was sick at the time the Telegram reports were written. He says he has gone over the rink records and can find no evidence of salaries ever being paid players. If the Toronto Telegram correspondence is all on a par with this piece of it, little credence can be placed in the stuff.

I WILL CURE YOU OF RHEUMATISM
ELSE NO MONEY IS WANTED.

Any honest person who suffers from rheumatism is welcome to this offer.

I am a specialist in rheumatism, and have treated more cases than any other physician, I think. For sixteen years I made 2,000 experiments with different drugs, testing all known remedies while searching the world for something better. Nine years ago I found a costly chemical in Germany which, with my previous discoveries, gives me a certain cure.

I don't mean that it can turn bony joints into flesh again; but it can cure the disease at any stage, completely and forever. I have done it fully 100,000 times.

I know this so well that I will furnish my remedy on trial. Simply write me a postal for my book on rheumatism, and I will mail you an order on your druggist for six bottles of Dr. Shoop's Rheumatic Cure. Take it for a month at my risk. If it succeeds the cost is only $5.50. If it fails, I will pay the druggist myself—and your mere word shall decide it.

I mean that exactly. If you say the results are not what I claim, I don't expect a penny from you.

I have no samples. Any mere sample that can affect chronic rheumatism must be drugged to the verge of danger. I use no such drugs, and it is folly to take them. You must get the disease out of the blood.

My remedy does that even in the most difficult, obstinate cases. It has cured the oldest cases that I ever met. And in all my experience—in all my 2,000 tests—I never found another remedy that would cure one chronic case in ten.

Write me and I will send you the order. Try my remedy for a month, as it can't harm you anyway. If it fails it is free.

Address Dr. Shoop, Box 40 Racine, Wis.

Mild cases, not chronic, are often cured by one or two bottles. At all druggists.

"The Sun Never Sets."

On the William Davies company, of Toronto, who are rapidly branching out in the retail way and whose expansion policy will eventually cover every city and town of any note in Ontario. It can be said that on the products of this vast concern the sun never sets, for the records of their shipping room show that to almost every country under the sun goes some one or more of their products. Recently they have filled two immense orders, one for Ireland and another for South Africa.

And The Aldermen Laughed.

At last night's council meeting Alderman Tait gave utterance to the following amusing sentence:

"The streets are receiving nothing except what's being taken away from them. And I say it without fear of successful contradiction."

This beats Dooley or Mark Twain by several blocks.

Water Works Main Burst.

The water works main in upper William street burst some days ago and the water, finding its way to the surface, has flooded the street, forming a fine skating rink for the youngsters. The water works officials have been unable to locate the break, but, meanwhile, the water flows merrily on.

The One Thing Needful.

If you want to live to a green old age, take care to keep your blood pure. Impoverished blood is accountable for nearly all bodily ills. Take Wade's Iron Tonic Pills, and you will find your health benefited, your blood purified and nerves strengthened. 50 pills for 25c., at Wade's.

Get Your New Suit.

Get your new suit now and save from $5 to $10 at Livingston's great January sale. It costs no more. Have your suit cut by an expert cutter. Livingston Bros.

The sermon of the Bishop of Ontario on Sunday at St. George's cathedral on the future state was eloquent and touching. His lordship will continue the subject next Sunday evening, the text being the parable of the rich man and Lazarus. But the rich men will stay away, of course.

They make one feel as though life was worth living. Take one of Carter's Little Liver Pills after eating; it will relieve dyspepsia, aid digestion, give tone and vigor to the system.

Taylor's Lettuce Cream is all one could desire, as a toilet cream. It keeps the skin soft and white.

Ragged clothes quickly—that's what common soaps with "premiums" cost; but

SUNLIGHT SOAP REDUCES EXPENSE

Fresh Mined Scranton Coal

Just Arrived

JAMES SWIFT & CO.
'Phone 135.

Our Coal Is As Clean As Though It Were Washed and Brushed.

Each lump stands by itself. Good solid coal—so much solid fire. After coal reaches the surface of the earth from the mines, impurities are picked out by hand. Thereafter it is screened several times before it reaches you, and dirt, slate, etc., really have no chance, if the dealers are careful.

We are very careful.

Crawford COAL THAT SUITS

Foot of Queen St.—'Phone 9.

Malt Breakfast Food

Gives Force, Vigor, Vitality and Strength.

Malt Breakfast Food, rich in malt, gluten and phosphates stands to-day far above all other breakfast grain foods as a nourisher for body and brain. Many eminent physicians have made the positive declaration that it is the only food which truly follows the plans of nature. It is equally good for young children, adults, athletes and invalids. Its delicious flavor has made it a favorite with tens of thousands who formerly used other brands of cereal foods.

Malt Breakfast Food is now within reach of the humblest families. One package will give twice as many meals as other foods can afford, making it the most economical food that families can use. Your grocer will recommend it.
