This word is used four times by Prof. W. Hodgson Ellis, Official Analyst in the Dominion Government, in reporting the result of his analysis of Sunlight Soap.

"No unsaponified fat"; that means no waste. "No free alkali"; that means no damage to clothes or hands. "No loading mixture"; that means every atom is pure soap.

Saleslady's Backache.

There is many a young woman serving behind a counter who can hardly stand on her feet on account of the excruciating pain that catches her in the small of the back.

Must be cheerful and obliging, though the back be ready to break, the head almost bursting and the whole body racked and worn.

Constant standing affects the kidneys, disturbs their blood filtering functions, then the back aches, the head throbs and you feel unfit for work or pleasure.

It is wonderful in these cases how a few boxes of Dr. Pitcher's Backache Kidney Tablets start the kidneys acting properly—they carry off the poisons from the blood, then the back aches to pain, the head stops aching, and you feel yourself an altogether different woman.

Booth's Coal.

NOTICE Is hereby given the public that we purpose making it warm for all persons using my Coal next winter. Your order is solicited.
